

## Hold Iris Show At Christian Church June 14

The annual iris show of the Newmarket Horticultural society will be held on Saturday, June 14, in the basement of the Christian Baptist church, Newmarket. The peony show will be on the following Saturday. General show convenor is Rod Caldwell.

Although it is called "The Iris show", it includes many other varieties of flowers to be judged by Mr. Little, Richmond Hill. There are classes for pansies, lupins, tulips, aquilegia, pyrethrum as well as such special groups as miniature bouquet, dining room centerpiece, living room basket and 10 classes for house plants.

All entries must be made before 8 p.m. on the preceding evening (tomorrow) with the exhibits tagged by 10 o'clock. Only members of the society may exhibit and a membership ticket is obtainable at the show for any who wish to enter bloom, but as yet have not purchased their tickets. Further particulars are obtainable from Mr. Caldwell or any member of his committee.

New exhibitors are encouraged to enter the society's shows and members of the society will be on hand to help such beginners in making entries.

### NUDIST!

We have a report that a group of nudists had located on a farm north of Newmarket. Whoa there, not so fast. Our informant tells us that they left the farm last Sunday.

## Lucky Farmer Quiz Begins This Week In Era And Express

This is the first week of the Lucky Farmer Photo Quiz, a new feature in the Era and Express, which can be found on page five of this issue. Supported by 31 Newmarket, Aurora and district merchants, the feature offers 31 one-dollar gift certificates for a lucky farmer each of the next 26 weeks.

On page five is printed an aerial photo of a farm house and barn. All the owner of that farm has to do to win his prizes is to drop into the Era and Express office, identify the farm as his own, tell us something about it, and collect his 31 lucky gift certificates, each worth \$1 in merchandise in the stores of the participating merchants.

He will also receive an enlargement of the aerial photo, suitably framed.

That's all there is to it, although the lucky farmers are

reminded that they must come to the Era and Express office in person so that there can be no mistaking the identity of the farm.

Each week, for the next 26 weeks, another picture will be printed. In all, 26 farmers have a chance to win the certificates and framed photos.

This feature is being made possible by 31 merchants who have contributed toward the cost of the feature and have each agreed to provide the lucky winner (Page 7, Col. 6)

### STAR FABRICATES ON PREFABS

## Story On Houses 'Dreamed-Up' Fiction

By Caroline Ion

Too often the large daily newspapers carry stories from Newmarket which are barely recognizable to local residents when they appear in print. Mr. R. T. McGregor will have come to P. L. McGrenar and instead of having five children, the amazed parent will learn from the newspaper account that he is the father of three. Wonder where he misplaced those other two? What a blow to the income tax exemptions that will be.

You can understand our surprise when we returned on Monday evening from a holiday trip to learn we lived in a prefabricated house. Our feelings were shared by other residents of the Sunny Hills V.I.A. subdivision, Newmarket, pictures of whose homes had appeared in the Saturday, June 7 issue of the Toronto Daily Star.

Such a disregard for accuracy appeared in that issue of the Star when a fabricated concoction illustrated an article by Paul L. Fox on prefabricated homes. Under a headline which read, "Many Newmarket families save money by buying prefabricated homes, using own labor to complete them" were shown pictures of three houses on the subdivision. None of these are prefabricated homes.

It is certainly not that we have anything against prefabs. What we are concerned with is the inaccuracy of such feature articles. If the story is about prefabricated houses, why illustrate it with custom-built homes? Until last summer there was only one pre-

fab on the subdivision and yet the story leads the reader to believe that over half of them belong in that category.

This year will see the erection of three or four more — still a long way from half the houses on the subdivision.

Paul Fox's account is headed, "Prefabricated houses built to meet laws of Toronto suburbs." (We shall pass over that matter of Toronto suburbs. Outlying districts are the suburbs of Newmarket.) He proceeds to discuss prefabs which barely meet the minimum of municipal by-laws containing slightly more than 700 square feet. This is illustrated with pictures of homes containing at least 1,200 square feet.

The caption under the picture of Mrs. Herb Elmes and daughter Janice, taken in front of their contract-built house, reads, "Mr. and Mrs. Elmes did all of the work on their house themselves." Mrs. Elmes said today, "Our contractor, Mr. Clark, will probably sue us when he reads we claim to have built the house ourselves. We moved in when he moved out."

The article continues, "In Newmarket more than 60 fine houses were built for about \$20,000 each by veterans . . ."

Where this information was obtained we have failed to discover. Apart from a few veterans who were fortunate enough to be in the building trade themselves, 30 percent of the homes on the subdivision cost several thousand more than \$20,000. Many top twice that figure with their

real estate value being set at closer to \$14,000 than \$9,000 as mentioned by Mr. Fox in his article.

Mr. Fox writes, "Kenneth and Mary Osborne built their attractive storey-and-one-half house including an oil burner and several extras for a total of \$6,100. Aside from all of their own labor it is financed by the \$5,000 V.I.A. mortgage."

Speaking to Mrs. Osborne today, we learned that they had neither been asked nor had they told Mr. Fox what their home had cost. Mr. Osborne said, "Any veteran who, though he could build our house with just \$100 over his V.I.A. payments would have a sad awakening. It cost a great deal more than that."

The home of Mr. and Mrs. Jack Arlitt was used as a further illustration in this article on prefabs, but their house was custom-built with Mr. Arlitt acting as his own contractor as did Bruce Cutting and Nelson Ion.

When we first saw Saturday's Star we were delighted to have a picture of our house. We have intended taking one for sometime to send to fond relatives and friends on the East and West coasts of Canada and in Great Britain. But, our pleasure over the pictures was dimmed when we realized how much incorrect information had been dispersed in the article.

All of us are behind V.I.A. and the possibilities available to veterans under this scheme. We do not endorse information which will mislead and disappoint prospective home owners.

### INSTALL NEW OPTIMIST EXEC., BOB BIRRELL PRESIDENT

New officers in the Optimist Club of Newmarket for 1952-53 were installed at Ladies' Night held at the Riverview, Bradford, last Friday night. Above, left to right, after initiation, are President Bob Birrell, Past President Jack Hamilton and District Governor Ross Clarence of the East Toronto Optimist Club. Ribbon on club banner was presented by Lieut. Governor Bert Barnes, West Toronto club, for Newmarket's high standing in district 15, for achievements.

## Bob Birrell Elected Optimist President; Club Wins Honours

Members of the Newmarket Optimist Club have elected Bob Birrell club president for 1952-53. At a Ladies' Night dinner meeting Friday night, new officers were initiated by Optimist Governor Ross Clarence, Toronto, and Lieut. Governor Bert Barnes, Toronto.

The new club executive consists of Bob Birrell, president; Ken Stephens, vice president and boys' work chairman; John Fraser, vice president; Jack Peppitt, treasurer; Wray Playter, secretary and Rod Ecoughlin, Sgt.-At-Arms.

Refining president is Jack Hamilton who was recently named Governor of Optimist Zone 5, District 15. Ken Stephens replaces Don Warner as chairman of the boys' work committee. He will co-ordinate a large athletic program for youngsters in Newmarket in both hockey

and baseball which the Optimists have sponsored since the club was chartered three years ago.

The Newmarket club received a special ribbon for activities in the Optimist district this year. Besides a successful boys' program and the winning of membership and attendance objectives, the club sponsored a contestant in the oratorical contest at the district convention in London. Vern Hutchinson, Newmarket won fourth place in the contest at London.

### TAG DAY

The Newmarket Veterans Association are holding their annual Forget-Me-Not tag day on Saturday. Under the national sponsorship of the Canadian Corps, the tag day is to raise money for welfare work among the veterans in this district.

### RARE MOTH

A rare Lunar moth was caught near Newmarket this week. Miss Boggs, who is staying at Countryside Acres, Yonge St., phoned the Era and Express and said she would like to give it to some interested naturalist. Anyone interested in having the moth is asked to phone 1387-w.

## Stan Smith Elected President Of Newmarket Lions Club

Stan Smith was elected president of the Newmarket Lions club at the last regular meeting of the club for this season in the St. Paul's parish hall. It is expected that the installation of officers will take place on Ladies' night, to be held at the Briars Country Club at Jackson's Point on June 18.

Other officers are: first vice president, George M. Byers; second vice pres., Jack Lucshy; third vice pres., Seneca Cook; sec., Tom Doyle; treas., Frank Courtney; directors for one year, Chas. Boyd, Les Barber, Leo Cull, and Denne Bosworth; directors for two years, Eugene McCaffrey, Dick Hilliard, Ang West, Bob Yates;

Lion tamer, George McCullough; tail twisters, Paul and Wes Tobey; auditors, Alex McKay and Murray Roberts; pianist, Ken Ponting; bulletin editors, Jack White and John Hines.

Copies of the club's financial report were presented showing that \$2,241 had been spent in welfare work to date. Included in the expenditures were: milk, \$164; hospital expenses, \$173; clothing, \$224; dental work, \$114; donations, \$162; eyesight, \$77; park, \$269; playground supervision, \$563; tonsils, \$65; miscellaneous assistance, \$126.

Other highlights from the report are the Christmas Basket fund through which was contributed \$931, and the raising of \$1,140 for the Crippled Children's campaign.

## Final Parade Plans For Sunday

Final parade plans have been made for decoration day on Sunday when the Newmarket Veterans' Association will combine its parade with the Newmarket Wing of the R.C.A.F. Association.

The R.C.A.F.A., in conjunction with Air Force Day on Saturday, had planned a parade for Sunday which will fit in with the Veterans' observation of decoration day. The parade line-up

will be at the town hall market square at 2 p.m. Sunday. March-off will be at 2:30. In the line-up will be the Canadian Corps color party, an R.C.A.F. band, a detachment of airmen from Camp Borden, the Newmarket Air Force Association Wing, Canadian Corps Council and officials, the Newmarket Scouts, Cubs, Guides and Brownies and the Salvation Army Band.

The parade will take the following route: west on Timothy St., south on Church, east on D'Arcy, north on Main St. to the cemetery. "Eyes right" will be at each cenotaph on D'Arcy and Water Sts. Group Captain J. D. Syme, M.B.E., Camp Borden, will take the salute on the march-back at the Post Office steps.

## Jets And Trainers In Fly-Past 12.30 Sat. Air Display At Park

Newmarket will see a fly-past of jet planes and other types of trainer aircraft at approximately 12:30 p.m. on Saturday. The fly-past will be part of Air Force Day activities here which will include a display of R.C.A.F. guns, bombs and aircraft equipment in the Lions club park.

The air force display will be open to the public at the park from 2:30 p.m. until 9 p.m. There will be instructors on hand to answer questions.

A float from No. 2 Technical Training school, under the charge of Flying Officer Gallop, will consist of three hydraulic panels for an F 86 Sabre jet fighter, a heat and vent system panel and an electrical panel for the Sabre. The panels were acquired from the Canadian air-bay of an aircraft.

Under the direction of Sgt. Kendall, will be an armament display from 12X depot. It will consist of a Glen Martin electrically operated gun turret of the type used on bomber aircraft in the last war. There will be a TIA bomb sight of the same

## Board Reverses On School Age Limit, Reporter Barred

The public school board reversed its decision last night on age restrictions for September beginners which would have restricted over 30 pupils out of 138 who were registered in May. Although a petition was sent to the board protesting the restrictions made last week, Secretary Bruce Hunter told the Era and Express last night's meeting had been planned before the petition.

The press was barred from the meeting last night. Secretary Bruce Hunter issued the following statement from the Newmarket Public School board to the Era and Express this morning:

"At a special meeting of the Newmarket Public School Board held last night, with Mr. O. M. MacKillop, B.A., Inspector of Public Schools and the school principals, the subject of accommodation for the 138 new registrations was again reviewed and it was apparent that additional facilities should be provided.

"On the Inspector's approval, another room will be equipped and this will, therefore, allow acceptance of pupils who will be six years old on or before Dec. 31, 1952, for Grade One; and also those who will be five years old on or before Dec. 31, 1952, for Kindergarten."

At a meeting the previous week, the board had decided to accept pupils for grade one who were six years old on or before the opening of school and for kindergarten, five years old on or before the opening day.

After last week's meeting a petition protesting the action was signed by 30 parents. The following was the petition:

"We, the undersigned, do not agree with the belated decision of the Newmarket Public School Board to change the school entry age to five years on or before the opening day of school in September for Kindergarten, and six years old on or before the opening day of school in September for the first grade.

"The children affected by the new ruling would have attained

the age of 15 in the beginning of their first year of High School, if no grades had been repeated. Consequently, the school leaving age, having obtained Senior Matriculation, would be 20 or 21. This, we feel is far too old to commence specialized training for future life. This period of time has to be financed by us - the parents.

"It is understood that there are two empty rooms in existence which would dispose of the accommodation problem. These will have to be furnished sooner or later.

"It is considered that this problem must be faced as it occurs and not put off until future years when the population of Newmarket will be increased. It is, therefore, recommended that the old ruling be reinstated.

"In passing, may it be said that the parents deplore the waste of time and money in registering and examining the children medically and dentally."

It is assumed that the school board's reversal on the first decision will allow the more than 30 restricted pupils to attend school in September.

The press was not permitted to attend the special meeting last night. A copy of the petition had been issued to the Era and Express yesterday and this reporter went to the town council chambers, the King George school and the Stuart Scott school in an attempt to locate the meeting.

This reporter phoned the Prince Charles school and located the board. Supervising Principal H. A. Jackson said he would call a member of the board to the phone. Mr. Jackson returned to the phone and said that the press could not attend as the meeting was "on administration matters, that is a committee meeting" and that any information would be given out after the meeting.

Parents who had signed the petition of protest also had asked if they could attend the meeting last night. The petition signers said they were told that it would be a "private meeting" and that they could not attend.

According to the petitioners, they were told by a member of the board earlier this week that the board did not have sufficient funds to furnish another room for the large number of applicants this year. According to the board's statement this morning, it would appear that the board now has sufficient public funds.

### BROKEN HIP, BURNS SUFFERED IN BLAST

Ernest Luff, proprietor of Hill-Top garage on Yonge St. at Holland Landing was burned and suffered a fractured hip when there was an explosion while he was using a blow-torch. He is being operated on in York County hospital today.

The accident occurred on Tuesday. Mr. Luff's clothes were set on fire by the explosion. His son-in-law, Ray Rumble, threw a jacket about him, putting out the flames. In the process, Mr. Luff stumbled and fell over a tire jack, breaking his hip.

"Our neighbors have been extremely kind to us since the accident with offers of assistance," said Mrs. Rumble, "and we appreciate it very much."

## Historical Society, W. I. Hold Annual Picnic At Sharon Temple

The second annual combined picnic of the York Pioneer and Historical Society and York County Women's Institutes will be held at the Sharon Temple on Saturday, June 14, at 2:15. Joint chairmen are Mrs. Leo Watson, past president of West York W.I., and W. E. Hanna, president of the York Pioneers.

There will be an address by Dr. G. E. Reaman, O.A.C., Guelph, and the introduction of York County members of parliament and W.I. executive members. J. L. Spillette, warden of York County, John Rye, reeve of East Gwillimbury, and W. M. Cockburn, agricultural representative, will extend welcomes.

An honorary life membership in the Pioneers will be presented to Mrs. Ethel Willson Trewhealla, author of The Story of Sharon which was printed in the Era and Express, to Mr. Hanna and a Sharon "old boy", J. E. Kavanagh. Members of the Institute will provide entertainment.

Awards will be given to the oldest York County resident present, to the oldest W.I. member present, to the Institute with the largest number of members present, and to the oldest member of the Pioneers present.

The basket picnic will follow the program at 4:15.

Frank Robinson, who had been a resident of Newmarket for nearly 30 years, died suddenly at York County Hospital on Tuesday.

## Mount Albert News

Mr. and Mrs. Alf. Pegg of Vancouver were guests this week at the home of Mr. and Mrs. J. Arnold.

Mrs. Fannsett and daughter, Mrs. Pearson of Sask., were calling on friends in town on Tuesday last. One of the places visited was Mrs. Fannsett's birth place where Mr. and Mrs. Roy Stewart live. It was formerly the Pegg farm.

Mrs. Annie Pearson of Oshawa is spending a week with her sister, Mrs. W. H. Thompson.

The firemen were called to the farm of Mr. Gordon Coates last week but the chimney fire was soon extinguished.

Mrs. Bertha Dunn of Ridgeway spent a few days in town last week at the home of Mr. and Mrs. Steeper.

Next Sunday members of the three local lodges will attend morning service at the United church. Rev. Warren of Queensville will be the guest speaker and there will be a men's choir to lead the music. On Sunday, June 22, it will be flower Sunday at the United church and the Horticultural Society will be in charge of the service.

Mr. Johnson, who is staying with his daughter, Mrs. W. Couper, had a bad fall in the house and is suffering from injury to his back but no broken bones.

Mount Albert Sports Day has come and gone with perfect weather. One could not have wished for a larger crowd. Many thousands were in attendance. It was one of the best days in all 28 years.

The morning program was something new. The rural schools gathered at the school grounds and marched to the park where they had sports, races, etc., and it was a perfect success; thanks to the teachers in charge. The only drawback was that the Markham Girls band did not arrive in time to provide music for marching but when they came, they made up for lost time and we would like to say that Markham has something to be proud of in their Girls band.

We have to leave the ball games results to our sports reporter as one cannot feed people and watch ball games.

Vince Mountford and his troupe were a splendid attraction both afternoon and evening and those who cared to dance had much more room to do so to the music of Gordon Stickwood's orchestra from Oshawa.

Men who enjoy pitching horseshoes had four teams in competition: 1, Mr. Herb Simpson of Ballantrae and Mr. Bill Grosse of Ringwood; 2, Don Hall, Zephyr, and Ken King, Holl.

Many prizes were given away during the concert program. The Jr. baseball resulted in Mount Albert coming first and Zephyr second.

Members of the Park Board are justly proud of their efforts and we would just like to say it certainly pays to advertise, thanks to T. M. Mainprize who did such a grand job.

Miss Eva Harrison of Kingston, Miss B. Cook of Toronto, were weekend guests at the home of Mrs. B. Sinclair.

Miss Daisy Watts of Dunnville was home with her sister, Mrs. Haigh, over the weekend.

Mr. Charlie Hayes of Toronto has been visiting his sister, Miss E. Hayes.

Funeral service was held in the Chapel on Saturday afternoon for Lloyd Gibney who passed away in Vancouver on Friday, June 1, in his 68th year. Mr. Gibney was born at Mount Albert but has lived for many years in West Canada. He was the youngest son of the late Thos. Gibney and Mary A. Stewart. He is survived by two sisters, Mrs. A. Blizard of Markham and Mrs. De La Haye, of Toronto, and one brother, Samuel Gibney of Minneapolis, U.S. Rev. C. P. Shapter conducted the service and burial was in Mount Albert cemetery.

The Library Board was very fortunate in its sale of tickets for the lucky draw on Saturday. Proceeds amounted to \$126, which they can surely use to advantage. Two prizes went to Toronto, one to Geo. Watts, Newmarket, and one to Dr. Carruthers who had it put up for resale and Ken Rose bought it.

On account of the bus trip on Wednesday of this week, Mount Albert Women's Institute will meet a week later than usual on Thursday, June 19, at the Community Hall.

Mount Albert Horticultural society is holding a Spring Flower Show Friday, June 20, in the Hall. All flowers must be in at 12 o'clock. All members please bring your flowers and make this a grand display. Classes are:

Delphinium, 1 spike, 3 spikes, collection; Iceland Poppies, bouquet; Oriental poppies, 1 bloom, 3 blooms; Roses, yellow (bowl), 1 bloom any color, collection; Sweet William, 5 spikes alike or different, collection; Pansies, bowl;

Peonies, red, 1 bloom, 3 blooms; Peonies, double, 1 bloom, 3 blooms; Peonies, single, 1 bloom, 3 blooms; Peonies, collection; Iris, German, 1 spike, 3 spikes, collection; Dwarf iris, 3 spikes; Lupins, 3 spikes; Lemon lilies, 3 stems; pyrethrum, bouquet;

Bouquet of mixed spring flowers; Bouquet of mixed spring flowers, not exceeding 5 inches in height or diameter; House plants, African Violet, Fern, Geranium; Orange blossoms, a bouquet.

Light refreshments sold in afternoon.

### MOUNT PLEASANT

The Women's Guild will meet at the home of Mrs. Wm. Moulds on Tuesday, June 17, at 2.30 p.m. Anniversary services will be held next Sunday, June 15, in the Mount Pleasant church with services at 11 a.m. and 7.30 p.m., with the Rev. Wm. McRoberts, B.A., M.F.H., of Cook's church, Toronto, in the pulpit. There will be special music by the choir and other talent.

The Bible study at Mr. John Thompson's home on Tuesday evening 'had quite a number present.

Mr. and Mrs. Robt. Davidson and Mr. and Mrs. Bernard Davidson and George spent Sunday at Lake Dalrymple, visiting friends.

Mr. Roy Travis is making good progress with his new house.

### BELHAVEN

Mr. and Mrs. C. Thompson, Niagara Falls, spent Sunday with Mr. and Mrs. Charles Pollard.

Mr. and Mrs. Norman King and Floyd spent the weekend at Minden visiting Mr. and Mrs. Angus King.

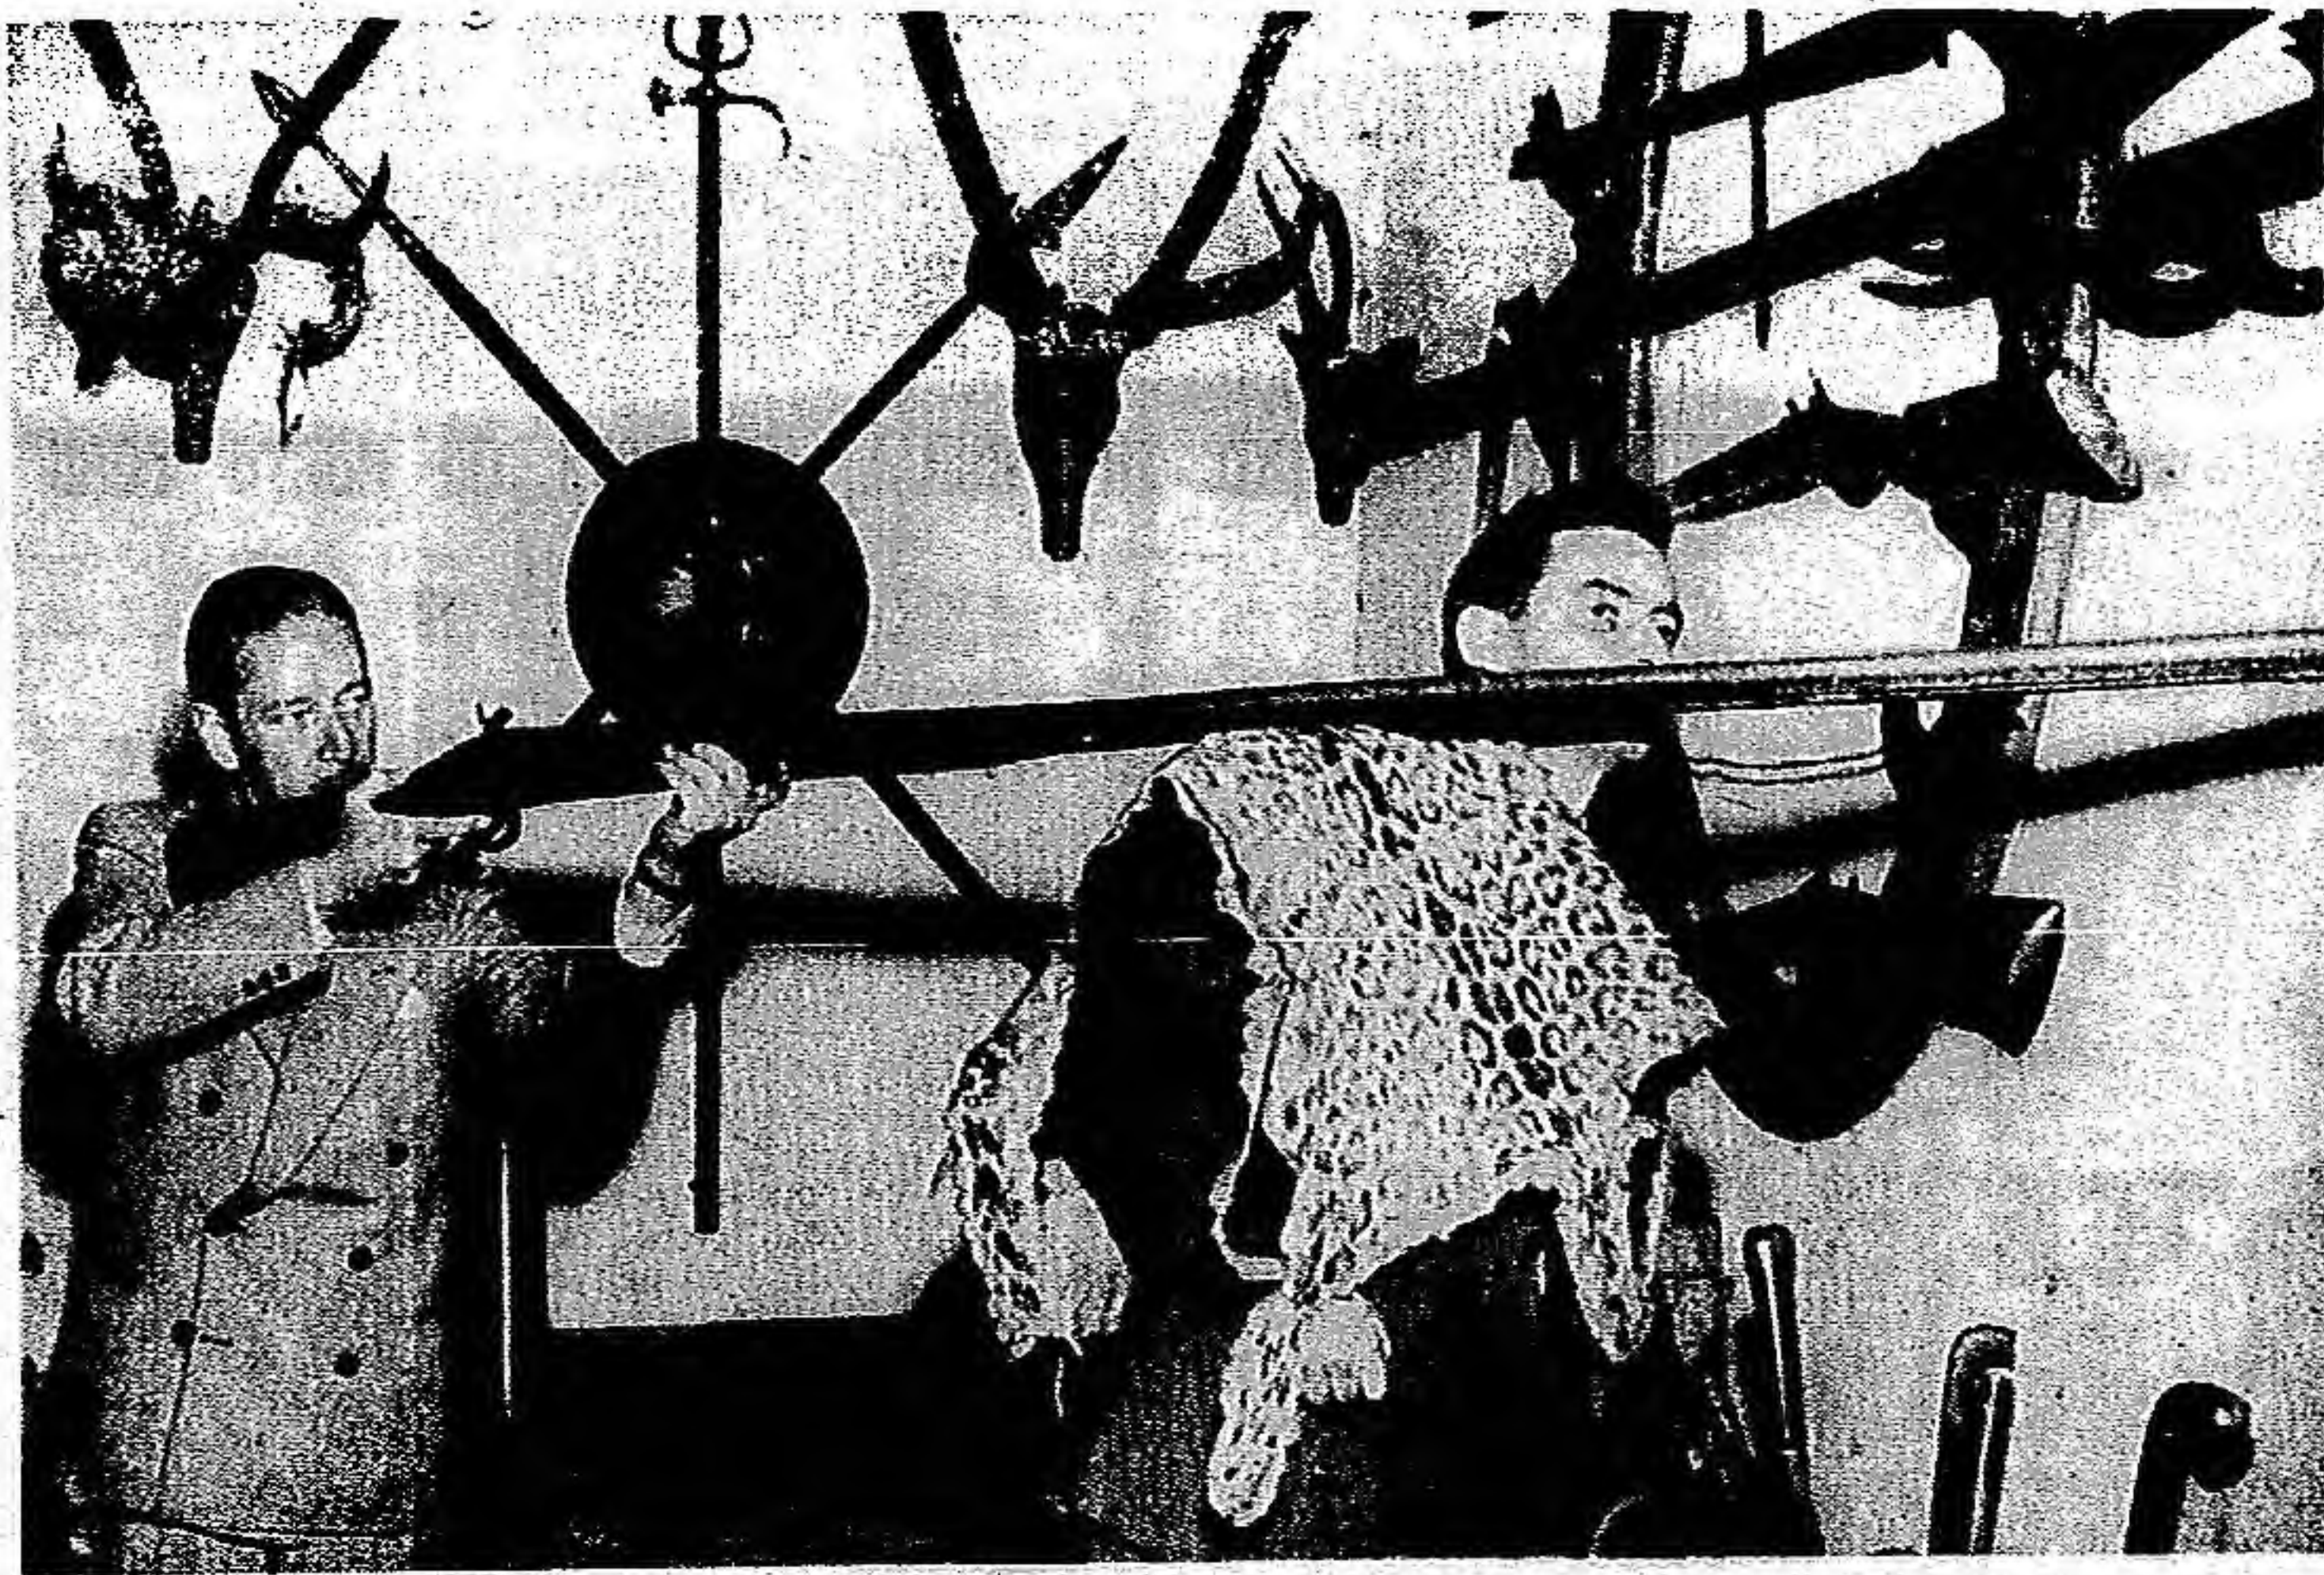

Mr. and Mrs. Donald Morton visited Mrs. Morton's mother in Toronto hospital on Sunday.

Mr. and Mrs. Albert Holstons have returned home after spending a few days in Toronto.

Mr. and Mrs. Jim Taylor and children, Toronto, spent the long weekend with Mrs. Taylor's parents, Mr. and Mrs. Ross Mainprize.

We wish the children every success with their exams this week.

Mr. and Mrs. Lloyd Kay and girls spent Sunday with Mr. and Mrs. Lorne Cronsberry.

The Sutton Kinsmen Club has been authorized to operate and prepare for opening, probably around June 28, of the Lake Simcoe public park, the former Eildon Hall property which was purchased by York County council last year. Here two club members, Richard Main, left, and Clifford Thompson try out a seven foot rifle, part of the collection of old arms housed in Eildon Hall. The building will be opened as a museum. For other pictures, see page 17.

## Korean Veteran Given Warm Welcome Home

When Private Bill Crook, Princess Pats Korean soldier, arrived at Toronto Union station early Monday morning, he was greeted with embraces and tears of joy by his parents, Mr. and Mrs. Robert Crook, King Ridge sideroad, 5th con., and surrounded by his brothers and sisters, his uncle and aunt, and neighbors, 24 in all, who waited in the thoroughfare to welcome the lad whom they had not seen for over a year.

Even baby Rose Wood, the soldier's new niece, gave him a shy welcome, not sure what all the excitement was about. She is a late addition to the family circle.

On hand at the depot at 5.30 in the morning were the soldier's parents, his sister Teresa and husband Jim Sartorelli, and sister Mary of Toronto; Betty, Frances, Thelma, Bobbie, Joe and Pat from home, his sister Helen and her husband, Melburn Newton of Aurora; Rose and her husband, Harold Wood, and daughter Rose of Snowball; Mr. and Mrs. Bill Flanagan of Lloydtown, an uncle and aunt and of course, their neighbors, Mr. and Mrs. Bob O'Reilly, Dorothy, Bobby and Jerry and young Harry McGeehan.

When the motorecade came along the fifth concession, there was a public welcome awaiting the surprised soldier, arranged by Bob O'Reilly, veteran of two world wars. On the lawn of Sacred Heart convent were Father Downes and the Sisters of Providence, and a welcoming party of children, adults and war vets, cheering and greeting the soldier lad who left his car to shake hands with them.

At the Crook home, there was a "Welcome Home, Bill" banner and decorations greeting Bill, with more neighbors on hand to share the happy occasion. Afterward dinner was served to the family followed by more guests in the evening from the neighborhood.

On the following Tuesday night, Don Francis and Mike Dean arranged a welcome home stag party attended by some 20 young men. "We know what war service means to a family," said Mrs. Deane who had six brothers go out from Scotland, two of them were killed, while Mr. Deane had three brothers overseas in the airforce, army and navy, in the second world war.

Pte. Crook has been in the army for two years, arriving in Japan on May 6, 1951, on the day of his birthday. He has seen active service and says he is glad to be back home again. For the most part he was speechless with emotion when he saw so many friends extending felicitations.

## Keswick News

Mr. and Mrs. Harvey King of Toronto visited in Keswick on Sunday.

Mr. and Mrs. Louis Palmer of Owen Sound spent the weekend with Mr. and Mrs. O. M. King.

Mr. and Mrs. F. T. Macklin of Toronto were weekend guests at the home of Mrs. A. Magee and Miss Islay Magee.

Mr. and Mrs. George White visited Mr. and Mrs. Stanley Cain of Nobleton on Sunday.

Mr. and Mrs. Ernest Morton, Mrs. D. Hewston and daughter of Newmarket were in the village on Sunday.

Mr. and Mrs. Vic. Atcheson, Robert and Carolyn, of Toronto, were Sunday guests of Mr. and Mrs. Francis Morton.

Mrs. Friend Morton, who was in Newmarket during the winter with her daughter, Mrs. Lelia Rolph, is now in the "Goddard Rest Home" here.

Mr. and Mrs. James Wright spent Monday at their daughter's, Mrs. Byron King in Thorncliffe village, Toronto.

Mr. Carl Anderson of Toronto was calling on friends in the village on Sunday.

Master Billy Bosworth of Newmarket is visiting his grandparents, Mr. and Mrs. Fred Peel.

Mr. and Mrs. D. Bosworth and daughter of Newmarket and Miss Margaret Peel of Toronto were also Sunday guests at the Peel home.

Mr. and Mrs. Claire Collins of Ottawa are spending the week at their Keswick home.

Mr. and Mrs. Frank Perry of Toronto and two daughters were at their Keswick home over the weekend.

There will be a wedding in both of Keswick churches on Saturday, June 14.

The Christian church held their monthly missionary meeting Friday evening, followed by a very happy social time when the bride of this week, Miss Dorothy Wright, was presented with a gift by her church friends as was also a recent bride and groom, Mr. and Mrs. S. Wight.

The rural school music festival for the rural schools in the Newmarket-Queensville district, which was originally to be held last week in Newmarket high school auditorium, had to be postponed due to the illness of the music supervisor, Mona Armstrong. Plans have been made to hold the festival on Friday, June 20, in the Queensville United church. Schools participating will be Queensville, Poplar Bank, Bogartown, S. S. No. 7, No. 8, No. 11, East Gwillimbury. Everyone is invited to come and enjoy this festival of school music.

The Elmhurst Beach Women's Institute is supporting the Health Clinic and has rented the old Jersey school for the centre as a meeting place for Clinic.

Mr. Walter Clifton and his niece, Mrs. Bentham, and Gladys spent the weekend in Toronto visiting Mr. Clifton's daughter, Mrs. Harris.

Master Jimmy Pegg had the misfortune to cut his foot while swimming.

The Elmhurst Beach Women's Institute is supporting the Health Clinic and has rented the old Jersey school for the centre as a meeting place for Clinic.

Mr. Walter Clifton and his niece, Mrs. Bentham, and Gladys spent the weekend in Toronto visiting Mr. Clifton's daughter, Mrs. Harris.

Master Jimmy Pegg had the misfortune to cut his foot while swimming.

### CHURCH PARADE

The first Holland Landing Cub pack will parade to Christ church for service at 2.30 p.m. on Sunday, June 15. Everyone is welcome.

### KETTLEBY

Service next Sunday, June 15, at Christ church will be at 9.45 a.m. We are returning to morning service for the summer months.

## Town Of Newmarket 1952 TAXES

### NOTICE TO TAXPAYERS

THE RATEPAYERS ARE HEREBY REMINDED THAT THE FIRST INSTALLMENT OF THE 1952 TAXES ARE DUE AND PAYABLE ON OR BEFORE

**JUNE 16, 1952**

PENALTIES WILL BE ADDED ON THE FIRST INSTALLMENT AFTER THIS DATE.

WESLEY BROOKS,  
Clerk-Treasurer.

## PROPERTY OWNERS WEEDS

NOTICE is hereby given to all property owners, in accordance with the Weed Control Act, Ontario, that unless weeds growing on their lands within the Town of Newmarket are cut down and removed by June 26th, and also throughout the season, the Town may enter upon said lands and have the weeds cut and removed, charging the cost against the lands in the taxes, as set out in the Act.

RAGWEED, POISON IVY, CANADA THISTLE, CHICKORY, WILD CARROT, etc., require special and continuous attention and should be uprooted and destroyed immediately growth is evident.

FRANK WIDDIFIELD,  
Weed Inspector,  
Town of Newmarket.

M.P. NORTH YORK

The Farm Improvement Loans  
Act has now been in operation  
in Canada for seven years. The  
annual report of the operations  
of this Act presented here this  
week showed a splendid record  
of service and a very small pro-  
portion of loss to the govern-  
ment.

Loans under this act are avail-  
able to farmers for moderniza-  
tion of homes and buildings and  
for equipment.

The report shows that the  
number of loans made under the  
act in 1951 was 75,063, an in-  
crease of 27 per cent over 1950.  
The amount of loans made during  
1951 was \$85,326,227.

Loans under the Farm Im-  
provement Loan Act are avail-  
able for a variety of purposes.  
These include the purchase of al-  
most any implement and equip-  
ment, or the making of improve-  
ments and developments that  
would increase the farmers pro-  
ductivity, the quality of his out-  
put or the working and living  
conditions on his farm.

The terms of repayment de-  
pend largely on the amount  
borrowed and are limited to a  
maximum of seven years.

The maximum amount which  
a borrower may have outstand-  
ing at any one time is \$3,000 and  
the rate of interest charged can-  
not exceed 5 per cent. Applica-  
tions for loans should be made  
to your local bank manager and  
the annual report pays tribute to  
the fine service and co-operation  
rendered by the banks in mak-  
ing this act helpful to Canadian  
farmers.

**Export Ban Costly**  
The export sale of Canadian  
livestock and animal products  
have declined by \$39 million in  
the first four months of this  
year, due largely to the United  
States embargo following the  
outbreak of foot and mouth dis-  
ease in Saskatchewan. So severe  
a loss in such a short time em-  
phasizes the seriousness of the  
disease and there has been gen-  
eral relief felt following the an-  
nouncement of a high official  
this week that the outbreak had  
been successfully checked.

Despite the embargo U.S. buy-  
ers of dairy cattle have contin-  
ued to make purchases in consid-  
erable numbers, leaving the  
stock here until such time as the

embargo is lifted.

**Unemployment**  
This week amendments were  
made in the Unemployment  
Insurance Act. New provisions  
allow an increase in the insur-  
ance payments and decrease the  
waiting period from nine to five  
days.

**Taxation**  
Federal, provincial and muni-  
cipal taxes in Canada in 1952 will  
amount to some \$6 billion, which  
is about one-third of our total  
national income. As far as the  
federal government is concerned  
defence expenditures which  
everybody realizes are necessary  
for national security account for  
more than half of all expendi-  
tures. Despite criticism that  
the government spends money  
too freely, actual figures show  
that apart from defence, the fed-  
eral government expenditures in-  
creased by less than 6 per cent  
from 1949 to 1951—not a bad  
record in the face of rising costs.

**The Senate**  
There are at present 18 vac-  
ancies in the Canadian Senate  
and while there are plenty of  
aspirants the Prime Minister is  
not likely to make many appoint-  
ment until next year.

The Senate now has 102 seats,  
and the present political stand-  
ing is 76 Liberals and eight Con-  
servatives.

Six of the vacancies are in  
Quebec, four in Ontario, four  
in New Brunswick and one each  
in B.C., Manitoba, P.E.I. and  
Newfoundland.

**Living Costs Down**  
The cost of living index took a  
two point plunge downward  
during April, the largest month-  
ly drop in 20 years. It is the  
fourth consecutive monthly de-  
cline in the index since the peak  
last December.

**Lilies In Bloom**  
Visitors to the Capital this  
week have enjoyed Canada's  
most beautiful display of lilac  
bloom at the Experimental  
Farm. The long rows of many  
varieties are in all the glory of  
full bloom and make a magnifi-  
cent showing. Iris and peonies  
also are in bloom.

Our readers  
write

Letters to the editor are  
always welcome but the  
names of the writers must  
be known to the editor.

The Editor: I was much inter-  
ested in "Dairy Farmer's refer-  
ences to the debts and credits  
of farm mechanization and feel  
like congratulating the members  
of the Holt Farm Forum con-  
cerning the desirability of the  
organized farmers linking up  
their age-old industry to what  
has been termed "the matchless  
marketing and selling power of  
modern advertising".

Maybe other readers would  
like to come a few steps further  
down that same "farm mecha-  
nization" trail. I found food for  
thought in the following picture  
in one of the prairie farm pa-  
pers: "While North American  
farmers own two-thirds of all  
the farm tractors operating in  
the world, this continent has  
only 18 per cent of the world's  
arable land. South America,  
Asia and Africa account for  
nearly half of the world's arable  
land, but possess less than five  
percent of the world's tractors. In  
Britain the farmers have one  
tractor for every 58 acres of  
land—a record not equalled any-  
where else. Switzerland, New  
Zealand, United States, the  
Netherlands, Sweden and West-  
ern Germany follow in that or-  
der. Russia has one tractor for  
every 1,000 acres of arable  
land, and in the Far East there  
is only one tractor for every  
30,000 acres. World tractor pro-  
duction in 1951 totalled a mil-  
lion machines." (Farm Journal).

Finally, here is a credit mark  
from the Saskatchewan angle—  
although folk who think in  
terms of horse meat may not feel  
so happy: "Farm mechanization  
brought about a decrease in the  
horse numbers in Saskatchewan  
from 800,000 in 1939 to 304,000  
last year. This decrease of  
430,000 horses, however, has  
made available the production  
from another 2,180,000 acres in  
Saskatchewan, to be dedicated  
to food production, since a horse  
requires the produce of five  
acres per year as feed." (News  
item).

Whitchurch S. S. Convention  
Praise Aurora, Uxbridge Votes

The leaders of anti-liquor out-  
let campaigns in Aurora and Ux-  
bridge and their supporters were  
voted a resolution of congratu-  
lations on their victories at the  
Whitchurch Sunday school con-  
vention at Ringwood Christian  
church on May 29. The police  
were also commended for their  
efforts to halt the bringing of  
liquor in cars to summer resorts  
in the township.

There were three sessions at  
the convention which were gen-  
erally well attended by repre-  
sentations from each of the 13  
schools in the township. Rev.  
Gibson Brown opened the con-  
vention and he was followed by  
Jacob Grove who gave the ad-  
dress of welcome. The morning  
session was given over to study  
and class teaching demon-  
strations by teachers of different age  
groups.

The afternoon session included  
two solos by Mrs. James Oldham  
and two inspiring addresses by  
Rev. Milton Lovering. In the  
evening, there was a selection of  
special music by a trio from  
Stouffville of Norman Farr,  
David Ratcliff and Lawrence

Barkey. The convention urged  
the continuous and persistent  
education against alcoholism in  
all the Sunday schools and that  
more use be made of the liter-  
ature, etc., provided by the On-  
tario Temperance Federation.  
Greater representation at county  
and provincial temperance meet-  
ings was urged and a greater  
use of pledge cards.

The convention proposed a  
more careful observance of Sun-  
day as a day of rest and in criti-  
cism of certain types of radio  
programs, urged parents to  
carefully screen those which  
might have a harmful effect  
upon the minds of children.

It was suggested too that  
every Sunday school send at  
least one young person as an  
official delegate to the annual  
and fall conventions.

**BANK OF MONTREAL**  
Canada's First Bank

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

A  
GENERAL MOTORS  
VALUE

Illustrated—2-Door Custom Riviera

Right from the start - you'll love it !

IT ISN'T always the big things that tell you how downright  
good a car really is.

You'll note, for example, that this Buick has—not one—but  
two sets of figures on its speedometer. There's one for total  
mileage, which almost all cars give you. And there's one for  
trip mileage, found on all Buicks, but rare on other cars  
carrying comparable price tags.

Then there's the way a Buick starts. No groping for a  
starter button on the dash. You just push down your foot on  
the accelerator pedal—and one motion does the whole job.  
That's something else found only on a Buick—and we can  
give you a good guess what the reason is—it's a costlier  
device.

And when you step on this combined starter-accelerator—  
boy, do things start to happen! That great-powered Fireball  
8 Engine purrs into action—and you're off with the steady  
swoop of a Diesel streamliner on the rails.

Now, you discover something else. Buick's Million Dollar  
Ride. Sure-footed on curves, level-guided on the straight-  
away, steady and true on course—it's worth every dollar it  
cost in tools, engineering and special features—including  
the magic of Dynaflow Drive.\*

BUICK SUPER

What we are trying to tell you is this:

No matter how you size up a 1952 Buick—by its features,  
its fabrics, the way it performs, the way it rides—or the  
cost per mile of operation—you find that nothing is spared  
to make it the greatest buy it has been in years.

And that's doubly significant when you remember that  
Buick delivered prices start down at a figure that any new-  
car buyer can easily reach.

How about checking this for yourself, at your nearest  
Buick dealer's?

\*Standard on ROADMASTER, optional at  
extra cost on CUSTOM and SUPER Series.

## Pages from the Editor's Notebook

A couple of weeks ago, we printed a letter from Mrs. John Ash of Pine Orchard who wrote that she had a lovely green gloxinia with 16 buds on it at time of writing, and four blooms of light purple and white-bell-shaped flowers. She asked if anyone had a plant with a larger number of blooms.

The reply was not long in coming. From Kettleby, a correspondent wrote that she had two plants, one a dark red with 36 flowers and buds on it, the other, a red and white plant with 40 buds and flowers on it.

From Keswick came a note on Mrs. Freeman Pollock's gloxinia, planted in February and at time of writing with two full blooms in purple edged in white and 35 other buds. The reporter notes that Mrs. Pollock is quite proud of her success.

It was this last touch, as much as the reports of other gloxinias, which prompted us to enquire about them. We had never heard of a gloxinia before. We enquired of Mr. Eugene McCaffrey of McCaffrey's flowers who told us something of the plant, that it was grown from a bulb, was exceedingly attractive, and that the number of buds reported was a remarkable achievement. Wonder if there are larger gloxinias?

We had a story on the appointment of Mr. Joseph McCulley, former headmaster of Pickering College, to the wardenship of Hart House prepared for last week's paper but were unable to get it into the space we had at our disposal. We regretted the omission for personal reasons as well. Mr. McCulley is an ideal appointee for a task which contains a good deal of idealism in its objective.

Mr. McCulley made a lasting impression upon the boys he taught during his long tenure at Pickering College. Years after their departure, we have noticed that when Pickering "old boys" get together, their first questions are invariably concerned with the whereabouts and health of "Joe".

Since he left Pickering College, Mr. McCulley has made a brilliant reputation for him-

self in penal reform through his work as deputy commissioner of penitentiaries. Unfortunately, his new title, that of "warden", coming as it does after his penitentiary work, has encouraged a false impression of his new job. But there is no connection.

The Canadian Weekly Editor, which is a monthly magazine published for the weekly press, has for its front cover a monthly cartoon on the days of weekly editors, their joys, their tribulations, their victories and their defeats. The current issue carries a drawing of a remarkable machine for writing editorials. The editor simply inserts copy paper, adjusts various knobs for choice of topic and the tone he wishes to write in, presses a button and presto! A ready written editorial.

We take pride in writing our own editorials, good, bad and indifferent as they may be, but when the weather is as muggy as it was over the weekend, how handy such a machine would have been.

We are sometimes fascinated by the old time editors used to report startling (to this present day editor, anyway) events. We refer to an item in the "50 years ago" column on this page which reports how a steer broke away from a herd going down Yonge St., entered the post office through the door and came out through the window. Beyond these basic facts, the editor of the day simply adds that the window was insured.

The modern editor would have a picture of the drover, a picture of the post office, a picture of the broken window (preferably with a pretty girl looking out) and an interview with the steer. Even then, he'd not be satisfied that the event had received complete coverage. But perhaps the old way was better. What a feast it gave the imagination. Nowadays, the stories are so written that a mechanical doll could understand them. What an insult to the mental processes of readers.

## From the Files of 25 and 50 Years Ago

JUNE 10, 1927

The Buffalo and Fort Erie Peace Bridge was opened last week. The bridge was crossed officially by the directors of the Buffalo Public Bridge Co., and in return they escorted a Canadian delegation to the American side. The day witnessed one of the greatest traffic jams in Buffalo's history.

Attended by King's weather, Mount Albert's third annual Sports Day was held in the Memorial Park on June 3. As anticipated a year ago, this year's event was quite the most successful both in regard to attendance and general interest.

"The Romance of Canada", a pageant, will be presented in the high school auditorium on June 23 and 24. The cast numbers over 60 persons and includes many of our prominent citizens. This will be one of the outstanding features of the jubilee celebration.

Motorists on the highway from Newmarket to Lake Simcoe can hardly fail to see the beautiful iron fence 5 1/2 feet high which adorns the front of the old Sharon cemetery. The iron posts are grounded in cement blocks, making a permanent job and adds greatly to the cemetery's appearance. The fence is a gift of a former Sharon resident, Mr. J. S. Smith of St. Catharines.

The Toronto Transportation Commission is willing to sell the Aurora-Schomberg radial to the C.N.R. It is understood that if the C.N.R. takes over the line, it will operate it as a steam freight spur only.

JUNE 13, 1902

The statue of Queen Victoria purchased by Premier Rose while he was in England last year is now on its way across the ocean, and will be placed in Queen's Park, Toronto, on arrival. It is a striking replica of Victoria who appears in a sitting position on her throne with sceptre and full regalia. Cost of statue is \$10,000.

A grocery advertisement in this issue of the paper lists the price of the following fruits, dried apples, 8c lb.; one gallon tin apples, 25c; 5 lb. pail jam, 45c; plums, blueberries, cherries, 10c per can.

President Warren of the Metropolitan Railway announced last week that new cars will be installed on the road at once. These cars are 47 feet long and have cross seats and baggage storage space.

The old bridge across the creek on the Centre Road is being replaced by a new one. Messrs. Jones Bros. of Brownhill have the contract.

The Lawn Tennis Club have secured new grounds and have had them levelled and sodded.

A most peculiar accident happened in Aurora Tuesday afternoon. A drover was driving a herd of cattle down Yonge St., when a steer left the herd and passed through the post office door. Once inside the animal turned and made a bound through a large plate glass window, then returned to the herd and went on as if nothing had happened. Fortunately the window was insured.

### SEEKS 'NEW INDUSTRY' POLICY

Deputy Reeve J. L. Spillette has urged upon council the need for road signs on Yonge St. advertising the municipality. "A lot of people travel up Yonge St. and never know anything about Newmarket. They don't even know where it is," said Mr. Spillette. Mayor Vale said that there would be a report at the next meeting of council on the cost of the road sign. We hope the mayor is right. The subject was first brought up in council a year ago and a committee appointed to act but nothing came of it. Mr. Spillette made one or two efforts to stir up action during the year. We hope he'll have more success this time.

The subject came up when Mr. Spillette asked for a definite policy on the pursuit of new industries for Newmarket. He suggested widespread advertising in trade magazines, a catalogue of potential industrial properties and available municipal services. While cool towards advertising, the mayor made the sensible suggestion of a contact man at the Trade Fair. By way of a progress report, he cited three enquiries last month and five last year. Nothing came of them, however.

The discussion served the purpose of a report on an activity of council about which there has been some criticism from the street, and some good may come of the road sign proposal this time. But beyond that, Newmarket doesn't seem to be any closer to adding new industries than it was before, a fact which leads to the conclusion that the town may be going about it in the wrong way. One great disadvantage to Newmarket is that there is not much choice of readily available industrial sites. The cost of development must be borne by the new industry. Possibly Newmarket could find a readier market if it undertook a development program which would provide over the course of a year or two sites which it could sell at a profit.

Every municipality in Canada is after new industry. Under those conditions, it is an easy matter for an industry to encourage bids in the form of various municipal concessions, and eventually locate in the municipality which offers the most in the way of reduced municipal costs. As far as we know, Newmarket has avoided this policy and it is to the credit of council that it has. It simply doesn't pay in the long run. The better course would be the planned development of municipal sites in the course of Newmarket's natural growth.

Still another consideration is that the rush by industry now for new locations will only just have begun if the St. Lawrence seaway is built. If Newmarket should develop industrial sites for the future, it could be sure of a ready market a few years hence when the industrial expansion in this area really begins.

### OVERLOOKING A POSSIBILITY

We think Newmarket is overlooking an industry right at home which, if encouraged, would provide just as solid results as a new factory, although less spectacular perhaps. We mean the tourist industry. Newmarket is right in the centre of one of the most historical areas in this part of the province. If local historical sites were developed and widely advertised, it would encourage a heavy influx of American visitors.

Surveys by the province have shown that the majority of travellers from the United States visit Canada to sight-see. A good many of those same travellers come from Ohio and Pennsylvania. It is sometimes forgotten that many of the farms along Yonge St. were settled by Friends who left those states during the period following the American revolution. The meeting house on Yonge St., just south of the industrial home, was built by those Friends and their descendants. So was the Sharon Temple.

Yonge St. was one of Upper Canada's first roads and along it came the settlers who penetrated as far north as Midland and Orillia. Midland, at least, has a very active tourist bureau. It would be to their advantage, as well as to Newmarket's, indeed to Aurora's and Richmond Hill's, if they worked together to advertise the highway as the historical route it is and the Yonge St. municipalities were to work together to restore the

old buildings and historical sites along it.

As a start, Newmarket and Aurora might set up a joint committee which could survey the existing sites, and determine the requirements for restoration and its cost. Possibly a levy on the merchants who would be sure to benefit might help defray the cost. The York Pioneers could be reckoned on for assistance, and the government.

With proper promotion and the investment of a relatively few dollars, this section of Yonge St. could be made into a sight-seer's paradise with a proportionate return to the municipalities of tourist dollars.

### ARMITAGE HEIGHTS OPTION

The Newmarket council last week unanimously granted an option to Mr. Tom Birrell on the land on the south side of Eagle St. at Armitage Heights. If arrangements between Mr. Birrell and the Bell Telephone Company can be completed successfully, he will build a structure to house Bell trucks and equipment. Council was assured that the building would be of respectable appearance and grounds adequately fenced. There is no question that the building would be acceptable, if other Bell buildings are any criterion.

We wonder, however, at the unanimity of council in granting the option. Our recollection was that the land was being reserved for house lots. Possibly there are reasons why this is not practical but we would be more assured about the possible sale of the property for industrial purposes if the council was working along the lines laid down by sound town planning. There is no indication that it is.

It is truly amazing how Newmarket has expanded in recent months. The property west of Lorne Ave., for example, seemed to have no immediate future two or three years ago but now it is an attractive residential block. The same might be said for other areas about the town's boundaries. But to date, there has been no planning to regulate this growth to the advantage of future developments. There should be provision made for future parks, future industrial areas, future commercial areas, future schools. The needs of the future should be the means to plan the present growth but so far, expediency seems to be the only consideration.

Eagle St. is one of the main entries into Newmarket. Will such a building cause future traffic jams? Had the land been better left for commercial development? Should it be a tourist park? There are a number of alternatives to Mr. Birrell's proposal. Perhaps his is the best; we don't know nor, we bet, does the council. We think it time that the council took steps to plan for the future along the lines indicated by proper town planning instead of making their decisions in terms of the needs of the present.

### EXPECTED POPULATION BOOST

Underlining the need for town planning in Newmarket is the estimate, a conservative one, that at the present rate of natural increase, Canada's population will reach the 20 million mark by 1970. The population growth will not be general, but will be concentrated in urban areas. The area around Toronto, including Newmarket and other North York county municipalities, will show proportionately some of the biggest growth.

When the Financial Post queried municipal authorities on what municipalities should do now to prepare for the population increases, most of them said the greatest need was for town planning, followed by a greater share of the tax dollar. "Competent and stringent zoning should be done now," the Financial Post says in its summary of replies, "to ensure adequate future facilities and land availability and conformity as residential, industrial, parks, schools, etc. Transportation, traffic congestion and downtown business too should get careful attention and planning.

"Next to city planning, respondents focus attention on budget planning. Once municipalities have things lined up on where and how they can expand, they've got to look to where they will have to go debtwise in the future, and as a result, where financial limitations lie."

## Office Cat Reports Catnips By Ginger

Newmarket audiences were deeply impressed by a talk given by Dr. Ignatz Prosopopae at an open meeting of the Family and Community Association on Friday night.

Dr. Prosopopae, head of the Neo-Pavlovian School of Child Conditioning at Ringdool, New Hampshire, spoke at length on "Child Upbringing, Its Place And Need In The Home".

A great influence on Neo-Pavlovian thinking in America, Dr. Prosopopae is a leader in his field. His work has motivated a new mass practice in the conditioning of children to meet the challenges of society today.

Your favorite correspondent and friend, Slim Q. Bliggins, attended the noted child specialist's lecture.

"It has been a popular thought in the last decade or so, that your child must be free to express himself," said Dr. Prosopopae. "If he must justify his existence by smashing the radio, breaking lamps and furniture and biting the family pet on the hind leg, he should be given a free hand. That was the popular belief in conditioning a child for adult life. No spankings were allowed.

"The object of this was that the little personality was free to develop," Dr. Prosopopae explained. Many mothers nodded approval to this, your correspondent noted.

"Now my theory is the complete opposite," said the doctor. "To condition your child for the society of today, he must be beaten and spanked regularly; I recommend it before meals.

"If your little precious smashes the radio, or a lamp, go out to the garage and smash his tricycle. If he bites the family pet on the hind leg, you, the parent, should bite him back, on the hind leg." There was a murmur in the audience and everyone turned around to frown at the association's program director, who was sitting in the back row.

"This is an era of propaganda and advertising. Our child must be conditioned to."

"For instance, it would be a good idea if mother and father had nightly discussions with their children. Should call father a sort of begin with and father call mother a browbeater, just to get things straight. Threats should be made and father should call it by ending the matter. You want a divorce, it is all right with me."

"Then explain to your children that it was just hot air.

"Competition should be encouraged. When there is an argument between your children and the neighbor's with your own kids. Use to try co-operation in when they get co-operate them to start using stones and renew them."

"The audience was depressed with Dr. Prosopopae. Mrs. Shifton noted mother, was the leave in a huff. The director was taken into room by the president on a severe tongue-lashing.

"How did you ever old buzzard?" the whispered hoarsely. "ruining the minds of respectable mothers, is this up."

"If we are going to our children for the type of society, we are them a sample of it life," concluded the specialist."

There was a hush as was left of the audience. Slim Q. Bliggins rose and gave Dr. Ignatz Prosopopae a thundering ovation. "The thing what trouble," commented afterwards, "was the knew what the pro tryin' to say. They sed the point."

## by "Dairy Farmer" The Top Six Inches

The cost-of-living index, this mythical measure of our grocery bill, has taken another dip. Various officials and politicians are pointing to it with the pride of a father who has just noticed that his offspring has begun to walk.

May we be permitted to differ. The drop is a large one and the fourth consecutive drop, but it is due almost entirely to declining farm prices reflected in the cost of food, especially meat. This decline, while it eases the housewife's troubles, seriously influences the buying power of the farmer and will affect the well-being of the whole country sooner or later.

We do not lay any claims to being an economist. But it is common sense, that no great happiness and prosperity can result when one group of people take a beating for the benefit of all other groups.

The index is made up of three factors, investment on capital, labor and the farmers' share. These three contribute to our government in taxes, and we suppose that it would be only fair to state that taxation is the fourth factor. If the index declines through a drop in agricultural prices, the other three will benefit, although the government might lose in taxes and will have to spend more on subsidies. What we are getting at is that the present decline is not a true picture, but results from the sacrifices of one group. Unless each factor will decline at the same time, the decline in food prices will create a hardship that will eventually cost the others more than it did before.

We do not look for a national catastrophe because of the decline in farm prices. Its effect in buying will be gradual.

But remember, mer can stop buying everything and still also remember that this, they can exert dous influence on perity of the manuf. duries. It takes it, but farmers can change their progi. duction. We are w out on a limb an bacon and eggs w same at the end of Farmers probably sent the greatest home appliances.

It seems to us the capital should do ing on the subject that the buying p farmer is being th think it out clear, might mean.

Cheap food is a policy. It is supple industry to competition with tries. But it put burden on the far stricts his buying ates the most reli that industry has is forced to prod ciently and in the whole group will bility to the coun.

To put it briefly when we see the r a drop of the cost dex, when it is not the result of a loss to the farm wondering what a den and drastic take-home pay done in the case we know, strikes ing and a great lutions against and the banning produced mercha.

Oh well. For time only the far hurt, so everybody

IN THE SUPREME COURT OF ONTARIO

THE SENIOR MASTER Thursday, the 29th day of May, A.D. 1952. (Cancelled Law Stamp—\$2.00) BETWEEN:

**NORMAN BORINS** Plaintiff and **RUSSELL HUGHES, MABEL HUGHES, WILLIAM R. CLARKE and MARJORIE H. CLARKE** Defendants

UPON the application of the Plaintiff, AND UPON HEARING the solicitor for the said Plaintiff, AND UPON READING the Writ of Summons herein, and the Affidavits of William Alan Scott and Frank Shepherd Ashton, respectively, filed: 1. IT IS ORDERED that service upon the Defendants, William R. Clarke and Marjorie H. Clarke of the Writ of Summons in this action by publishing this order together with the notice hereon endorsed, once a week for two weeks on the 6th and 13th days of June, 1952, in the newspaper known as the Newmarket Era & Express, published at Newmarket, and good and sufficient service of the said Writ upon the said Defendants;

2. AND IT IS FURTHER ORDERED that the said Defendants do enter an appearance to the said Writ and file an Affidavit showing the nature of their defence (if any) or a notice desiring an opportunity to redeem at Central Office, at Osgoode Hall, Toronto, on or before the 28th day of June, 1952, and that they do forthwith thereafter serve a copy of such Affidavit upon the Plaintiff's Solicitors. "A. S. Marriot"

SENIOR MASTER NOTICE

The Plaintiff's claim is on a mortgage dated the 15th day of April, 1950, made by the Defendants, Russell Hughes and Mabel Hughes to the Plaintiff. And the Plaintiff claims there is now due for principal, the sum of \$3,255.45, and for interest in the sum of \$208.89, and for taxes \$12.40; and the Plaintiff claims that the said mortgage may be enforced by foreclosure, and also claims possession as against the said Defendants and personal payment on the covenant against the Defendants, Russell Hughes and Mabel Hughes. The said mortgage covers land and premises known as Lot 16, Plan 216, Township of Whitechurch.

"A. S. Marriot" SENIOR MASTER Entered O.B. 217 May 29, 1952 D.L.

TENDERS

TENDERS FOR COAL AND COKE

FEDERAL BUILDINGS PROVINCE OF ONTARIO  
SEALED TENDERS addressed to the undersigned and endorsed "Tender for Coal" will be received until 3 p.m. (E.D.S.T.), Wednesday, June 25, 1952, for the supply of coal and coke for the Federal Buildings throughout the Province of Ontario. Forms of tender with specifications and conditions attached can be obtained from the Chief of Purchasing and Stores, Department of Public Works, Ottawa, and the District Architect, 36 Adelaide St. East, Toronto. Tenders should be made on the forms supplied by the Department and in accordance with departmental specifications and conditions attached thereto. The Department reserves the right to demand from any successful tenderer, before awarding the order, a security deposit in the form of a certified cheque on a chartered bank in Canada, made payable to the order of the Honourable the Minister of Public Works equal to 10 per cent of the amount of the tender, or Banker Bonds of the Dominion of Canada, or of the Canadian National Railway Company and its constituent companies unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque required to make up an odd amount. Such security will serve as a guarantee for the proper fulfilment of the contract.

Robert Fortier Acting Secretary, Department of Public Works, Ottawa, May 22, 1952.

c2w23

HONOR PRIESTS ON 30TH ANNIVERSARY OF ORDINATIONS

The parishioners of St. John's parish, Newmarket, gathered in the auditorium of St. John's school on Sunday evening, June 8, to honor Rev. Father T. McCabe and Rev. Father H. Carey on the occasion of the thirtieth anniversary of their ordination to the priesthood.

## Oak Ridges News

Irene Draper, 20 months, is in the Hospital for Sick Children with a fractured right thigh, the result of a head-on collision between the half-ton truck driven by her father, Victor Draper, and a car driven by Tony Brinke, 22, Aurora, R. R. 2. The accident happened east on Yonge St. on C.F.R.B. sideroad on Sunday afternoon.

Mrs. Draper, who had the child on her knee, struck the windshield, receiving frontal head cuts, bruises and shock. She became unconscious at the time of the impact and her husband took over the baby. The mother said she had a knee bruise. Mr. Draper suffered shoulder bruises. The family was proceeding east on their way to Lake Wilcox and after meeting a car going west, they were enveloped in a cloud of dust which caused them to slow down, when the second vehicle approached. The baby will be in hospital for three or four weeks. Provincial police investigated.

### Gum Machine Stolen

The bubble gum machine was stolen from the Windmill restaurant about 6 a.m. Sunday morning. It was removed from the counter and held coins. The restaurant is open 24 hours daily but no disturbance was heard when the machine was being taken, the operators stated.

Mr. Bill Hope is the new president of Lake Wilcox and Oak Ridges Ratepayers' Association. His nomination for office followed that of Mr. D. E. Cook, the first vice-president, who would not qualify for nomination as president on the grounds of his objection toward the association withdrawing its support of a municipal candidate. Mr. C. L. Stephenson was the retiring president. Mr. E. Davidson was elected as first vice-president.

The date for election of remaining officers will be set at a meeting on Tuesday, June 24. Nominees are: second vice-pres. Frank Stiver and Richard Ward; sec.-treas., Mrs. Bruce Mercer and Mrs. Clark; directors nominated are Mrs. Kingsley, Ernie Sale, Bruce Mercer, Max Martin and Mrs. Cole.

Mrs. Gladys Cross, principal of Lake Wilcox, is ill and her place is being filled by Mrs. Ernie Davidson. Mrs. Cross resides at Richmond Hill.

Mrs. Davidson and her husband have the grocery store and post office at the lake. They have erected a new cement block two-story building which will be the commodious apartment. The old building was dismantled as the new structure was under construction. The store stands on the corner of the North Lake road and the second concession. The appointment of Mr. W. C.

D. Hall of Stirling Ont., as principal of Lake Wilcox, has been made by the trustee board to fill the vacancy next September of Mrs. G. Cross, who resigned some time ago. Mr. Hall and his wife have two children.

### Divisional Rally Successful

Three hundred Guides and Brownies took part in the York divisional rally at Thornhill community park on Saturday afternoon, June 7. It was the largest attendance ever taking part. Ten districts were represented with Newmarket sending two bus loads. The rally was convened by Mrs. John McNeill, district commissioner for Thornhill.

Scarboro Girl Guide Company won the shield for the greatest number of points. It was presented by Mrs. D. R. Gunn, divisional commissioner, who donated the shield last year. Highland Creek won the Brownie Pack shield for the second year in a row. All the participating teams received first, second and third class ribbons.

The Oak Ridges Brownies placed second in one of the races. The pack did very well from the cookie sales in May, having distributed the packages over a wide area. Anne Rowe led her pack in selling 40 boxes.

## GARDENS SETTING FOR HOSPITAL TEA

Tomorrow afternoon, 2 to 6 p.m., the gardens of Mrs. Schuyler Snively, Lake St. George, R. R. No. 2, Aurora, will be the setting for an afternoon tea in aid of the York County Hospital Women's auxiliary.

A car pool has been set up in both Aurora and Newmarket and anyone wishing transportation to the garden tea is requested to contact Mrs. Bowman, 558, Newmarket, and Mrs. Underhill, 295, Aurora. To find the estate, anyone travelling on Yonge St. should turn east at O'Connor's Store, Oak Ridges. Continue on this road until you reach Ash's Booth where you turn right. The home of Mrs. Snively is on this road.

## DRAMATIC CLUB ELECTS OFFICERS

At the final general meeting of the Newmarket Dramatic Club at the Town Hall on Tuesday, June 3, the following executive officers were elected for the 1952-53 season:

Pres., Joe Dales; first vice, Nick Styke; second vice, Don Cummings; sec., Grace Sinclair; treas., Fern Russell; stage manager, Ken Leaming; business manager, John Kudelka; librarian, Lorna Styke; program convener, Barbara Hamilton; social convener, Ruby Harrington; publicity and advertising, Jack Struthers; board of directors, Dorothy Bowman, Vera Brown, Charles Boyd, Mike McMorrow and Jack Fisher.

The executive, upon taking office, made plans to stage a fall production of a melodrama during the month of October and a later production at Christmas. It was also decided to increase membership. The importance of developing a workshop program to train and entertain club members was stressed.

Pictured following their May 31 wedding in the parsonage of Mount Albert United church are Mr. and Mrs. Bruce Herbert Sedore. The bride is the former Dolores Margaret Hicks, daughter of Mr. and Mrs. Wm. E. Hicks. The groom is the son of Mr. and Mrs. Ernest Sedore, all of Mount Albert. Photo by Budd

## News Of The W.I.

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The June meeting of the Bortown branch will be held at the home of Mrs. Wm. Walker on Tuesday, June 10. The roll call is to be answered by "A short call in your housework". A demonstration on Salad Making by Mrs. Walker and a vegetable contest by Mrs. Penrose are highlights of the program.

The Elmhurst branch met at the home of Mrs. Wm. King for their June meeting. Mrs. B. Sinclair gave a very interesting talk and gave some splendid suggestions on making a Tweedsmuir History. Mrs. Fowlston gave a wonderful display of hand painting and various types of handcraft all made by herself. Please remember the picnic at Sharon Temple on Saturday, June 14.

The monthly meeting of the Mount Albert branch will be held on Thursday, June 19, at 2.30 p.m. in the Community hall. Hostesses will be Mrs. D. Moorehead, Mrs. A. Dike and Mrs. J. Case. Roll call: name a flower starting with your own initial. Guest speaker is Mrs. Ross Arncliffe.

The June meeting of the Newmarket branch will be in the form of a picnic with the York Pioneers, at Sharon Temple, on Saturday, June 14, at 2.30 p.m. All members are urged to attend.

Elmhurst Beach branch met at the home of Mrs. W. King on Wednesday, June 4. Mrs. Boynton and Mrs. Fowlston gave a report on the district annual convention at Mount Albert, May 14. Mrs. Beverley Sinclair, the district secretary, was our speaker. The chief topic was

the compilation of items for the Tweedsmuir book.

Several members took special interest in the picnic to be held at Sharon Temple by the York Pioneers and Historical Society and will make efforts to be there Saturday, June 14.

Final arrangements were made for the "Health Unit" to be held in the old Jersey school for preschool age children. This branch is sponsoring this project. Mrs. Fowlston gave a display of needlecraft, paintings, etc.

Union Street branch met at the home of Mrs. Walter Rose on Thursday afternoon, June 5. There were 34 members and four visitors present. The president, Mrs. Frank Perry, was in the chair. The roll call, "My idea of a good citizen", was well answered. The correspondence was read and a short business session followed.

The Institute service chosen was "Brighten your home with color". Report of the district annual was given by Mrs. O. Diceman. Community singing was led by Mrs. D. Thompson. Current events were read by Mrs. E. A. Vokes. Mrs. L. Swanson, convener of citizenry and education, gave an excellent paper entitled "Human life from childhood to eternity".

Miss Ida Bertolin conducted a jumbled word contest. Winners were Mrs. Roy Cowieson and Mrs. E. Breen. Institute members are invited to attend the York Pioneers and Institute picnic at Sharon Saturday, June 14. Basket lunch. The meeting closed with the National Anthem, followed by a dainty lunch.

## Kingcraft Sale Impresses Visitors From Newmarket

Attending the Kingcrafts first sale of work on Wednesday, June 4, from Newmarket were Mrs. Fred Hughes, Mrs. William Bales, Mrs. Arthur Davies, Mrs. Dorothy Graham, Mrs. J. E. Morris, Mrs. Howard Cane, Mrs. M. B. Seldon, Mrs. George McNelly, Mrs. Carl Barber, Mrs. Norman Mathews, Mrs. S. W. Otton and Mrs. Edward Mitchell. The sale was held at "Kingswood", the home of the president, Lady Flavell. An outstanding display of weaving, hooked rugs, smocked blouses and dresses, leather work and metal and woodcrafts were offered for sale. There was a demonstration of spinning wool, carding and rug hooking.

A station wagon met the visitors to the sale and transported them from the parking field to the beautiful grounds of Sir Ellsworth and Lady Flavell. Just inside the gate was an attractively painted white house in which the crafts were exhibited.

Reporting on the sale, Mrs. Edward Mitchell, president of the Newmarket Handicraft group, said that the artistry of the color blending, the exquisite workmanship and the originality of designs made it an exceptionally fine crafts' exhibit. The gallery of smocking was one of the largest she had ever seen with dresses for every age from infancy to teen sizes and women's blouses attractively displayed.

"The hooked rugs were outstanding," said Mrs. Mitchell. Instead of a regular rug hook, the Kingcrafters used a crochet hook on fine mesh burlap. Four-

## BOY SCOUTS NEED \$800 AS SALVAGE MARKET FALLS

The Newmarket Boy Scouts need \$800 to meet insurance costs on their hall, and to complete their camp. Up to this time, the Scouts have been able to finance themselves by the collection and sale of paper salvage. In recent months, however, the market for salvage has fallen.

Scouts are prohibited from making the usual canvasses for financial assistance by the laws of the association. In this circumstance, they are dependent upon the generosity of those who contribute towards a worthy cause. Contributions may be made to Percy Hutchinson, chairman of the group committee, Newmarket.

### MISSION CIRCLE MEET

The Women's Mission Circle of the Christian Baptist church will meet for its regular monthly meeting on Thursday, June 19, at 2.30 o'clock, in the Sunday school room. Delegates to the Belleville and London conventions will bring their reports to this meeting. All ladies of the congregation are urged to attend. Please note the change of date.

### GRADUATES FROM U. OF B.C.

Mr. William Gilroy, New Westminster, B.C., formerly of Newmarket, graduated from the University of British Columbia with Bachelor of Commerce Degree. Bill, as he is known to his friends, is a nephew of Mrs. Edna Teasdale, Newmarket.

## MUTUAL LEADER HONORED

**N. W. GREENSIDES**  
The Mutual Life of Canada is pleased to announce that Mr. N. W. Greensides of Kettleby has again qualified for membership in the MLC Production Club.

Membership in this group is attained only through the underwriting of a large volume of protection, which continues in force from year to year, and the maintenance of a high personal standard of confidential service to policyholders.

## Redmen Tied On Top

Newmarket Redmen baseball team, after a four-game winning streak, have an important engagement at the fair grounds Friday night at 7 o'clock.

They'll entertain Alliston Redmen in what promises to be the game of the season. At the moment Redmen and Redmen are tied in a tie for the South Shore leadership. A Newmarket victory plants the Red-

men safely in first place. Tuesday evening, Ted Robinson led the Redmen into Everett for a bout with the Maple Leafs. Redmen capped an uphill fight at saw them trailing 6-2 in the fourth with a two-run uprising in the seventh to nail an 8-6 victory.

The win was Newmarket's fourth straight and was revenge for a previous home defeat suffered at the hands of the Leaf. Ortie Thoms, working confidently on the Redmen hilltop, spun a six-hitter, scattering Everett hits lightly in all but the third when Leafs staked out five runs.

All the Redmen got the range for at least one bingle. Top socker was Jim Cook with two. Cookie also came up with the catch of the game, going away back to save the game in the last of the seventh.

Newmarket: S. Winger, L. Thoms, D. Gibson, A. McKnight, J. Hugo, W. Grant, J. Cook, C. Gunn, I. Gibson, K. Wright.

### MINOR BASEBALL

Want something to do Saturday afternoon? Here's an idea. Why not spend it at the fair grounds and soak up some sunshine? Frank Hollingsworth, coach of our Optimist pee-wees and bantams, has lined up another minor baseball tid-bit. Brampton will be here Saturday afternoon for a double-header attraction. Newmarket and Brampton pee-wees open the fun at 1:30 p.m. with the bantam game scheduled for 3:30 p.m. If you haven't seen our small fry ball hawks in action—time you did. You're missing something.

### AURORA JR. BASEBALL

The attempt is still on to get a junior baseball team cracking in Aurora. A practice has been called for Sunday morning, June 15, at 10 a.m., at the Aurora park. Anyone interested in playing junior baseball is asked to be on hand.

### Opties Win Fifth

Newmarket Optimist bantams dug in and slugged their way to a 13-0 triumph over Mount Albert in a North York bantam baseball league game at Mount Albert Tuesday.

The win, the Optimists' fifth straight, increased their league leadership. Highnote of the game came in the seventh when Mount Albert fielding wilted and Newmarket came up with a slugging bee to score nine runs.

Newmarket hurlers Jack Cain and Don Thoms stilled the Mounties on two scratch hits. Jack Cain whiffed ten. John Rennie and Gord Minnick were the successful Mountie swingers. The McGuire brothers, Chas. and John, Bill Cain and Pat Ewing clubbed a pair of hits, each in the Newmarket cause.

## DON MESSER AND ISLANDERS HERE SAT.

Like Old Time dance music? You'll be pleased to know that the Newmarket Optimist Club is sponsoring Don Messer and his Islanders this Saturday night, June 14, at the Newmarket Memorial Arena. Well known through cross-Canada tours, trans-Canada radio broadcasts and recordings, the Don Messer band features both modern and old time dance music. If you like square dancing, jigs and reels, Saturday night will be an evening of real fun. No advance sale of tickets.

## Diggers Come From Behind

Mickey Sutton's Ditch Diggers have one fault: the other teams in the Aurora Town League wish they'd correct. Diggers never know when they're licked.

They trailed 5 - 4 going into the last innings of last Thursday's town league tilt with Cliff Chapman's Queen City Storage Merchants. Then Diggers erupted for runs to take down a 9 - 6 decision. It was the Diggers' second win of the budding town league campaign and shot them into undisputed possession of first place.

Mickey Sutton went all the way on the Diggers' mound. Jack Andrews and Red Castles toed the rubber for the Merchants. All the Diggers collected at least one hit with "Wit" White going great guns at the plate and around his short-stop position.

It was the best game of the season. "We'll take 'em next time," reports coach Chappie. Besides, we'll have slugger McGhee up from the farm club for the next one."

Merchants: D. Holman, J. Andrews, R. Castles, E. Smith, G. Hodgins G. Winters, A. Closs, G. Rose, J. Emmons, H. Sutton, P. Harman, L. Phillips, S. McGhee. Ditch Diggers: H. Stephenson, M. Sutton, G. Dawson, R. White, W. White, T. Barrager, K. Wright, R. Turan, S. Romano, C. Timbers, E. Timbers, E. MacDonald, W. Mundell.

### SOCCERISTS PLAY S.A.C.

Due to the Bradford field being in use Wednesday, our budding soccerists had to cancel their game with Bradford last night. They have an exhibition game scheduled for Friday evening against St. Andrew's College. The game will be played at the college sports field. Fourteen players were on hand for Monday's practice. Practices will be held every Monday from now on at S. S. school grounds. It is hoped to reschedule the postponed game with Bradford for next week.

### DOWN THE CENTRE BY AB HULSE

## Hang-Overs From The Ice Season

Hockey may seem an untimely topic, but a group of young men and some not so young have been the toast of their communities in recent days and carried home with them the spoils of battle. Friday night, Aurora Bears were honored at a "do" sponsored by Aurora Rotary, which featured a banquet, dance and presentation of maroon sweaters with white crests made by Harold Greenhalgh's Aurora Textile. The kids enjoyed it all.

Dr. C. R. Boulding, veteran Aurora hockey booster, while not a Rotarian, was given the honor of making the presentation. Charlie DeLafaye, Jack Bowser and all the rest who were responsible for the event deserve a hand.

Collingwood went berserk, same evening with over 2,000 fans assembling in the arena as Eddie Bush and his boys of both intermediate and junior fame paraded to the now familiar rostrum of victory amid tumultuous applause. Each player got an O.I.A. medal, a \$40 gift voucher from the municipality, windbreakers from the club, plus a bonus cheque, theatre tickets, silverware and many more items. That went for both clubs. Bush promised the fans that 1953 would see the fourth junior championship in a row, and the third intermediate crown, and the crowd liked it to no end.

There are, of course, those who say Bush won't be around and certain players don't like him. Displacing a winner is pretty tough, and don't forget Bush is the assistant arena manager and well entrenched locally. You'll see him at the helm next year unless he's kicked upstairs by one of the pro clubs.

Stouffville Clippers had their night a few weeks back and got medals, gold watches from the village, cheques, windbreakers, white shirts and ties and a couple of dandy stag parties. Andy Closs was busy with the fountain pen and O.I.A. certificates over the weekend and Wally Rhodes, young goalie of the '52 team, defencemen B. Hanna and Walt Fines, and forwards Bobs Cook and Pepper Martin affixed their John Henry's to playing cards. Andy says he can only sign 25 players and the line forms on the right. Two new players were signed, Lefty Brown, the Whitty netminder, and Bob Falls, regarded as the best youngster of the Bradford area. Falls can play either defence or forward. Bill Lott, another Bradford boy, will be signed.

Bill Smith is back from Lindsay and it's thought that he may decide to throw in his lot with the Bears. We were glad to see that Alfie Pike and Guelph Biltmores signed Bruce Wallace of Nobleton juniors who we tabbed as the best player in the "D" grouping last winter. Kitchener juniors grabbed Klinek, the Elmira defenceman, otherwise the group was not tapped. Bob For-

han will be with the Marlboros, by way of the student clause and an Aurora release. One or two of the Fergus club will be out with Guelph in October. Canadian Capers: Bradford, under the leadership of Jim Webb Sr., are seeking a lacrosse coach and have their eyes glued on Charlie Rowntree. We think that Charlie is available. Bob Hanna, Keito Collings, Mutt Collings, and other former Aurora juniors will be with the club and that of course will appeal to Charlie. Bradford is looking for extra players and a call to arms is suggested from the Aurora-Newmarket area. Chuck Southwood, Bill Patrick and former junior players are being paged.

Bob Dobbie and Chick Lovell, two of the stars of the Fergus junior club, are doing well in senior lacrosse with Fergus Thistles this season. Grouping finds Orillia Terrier, Orangeville Dufferins, Bradford, Alliston, Brooklin, Dixie-Mimico, Toronto Matlands in one group. The competition should be very even. In the south group, Streetsville, Burlington, Dundas, Caledonia, Acton, Simcoe, are in action. In Western Ontario, London, Woodstock, Oneida Braves, and Oneida Rockets, form a section with Chatham, Sarnia and Wallaceburg in another. That's the biggest lineup in some years, and from the U.S.A. we read there were 10,000 fans were on hand to see the intercollegiate lacrosse final.

Bobbie Hilson, former Brampton Regents hockeyist, well remembered for his unruly actions in Aurora, is with Toronto this season and has already drawn a one-game suspension from the O.L.A.

Pol-pourri: Joint McComb has had his playing certificate for softball transferred to Owen Sound, and McComb is in action in the City league there. He definitely intends to play hockey with the Mercury's next winter, despite wishful thinking in Canada town. Congratulations are in order to Bill Attridge and Mrs. Attridge, on the arrival of a daughter. The former Aurora junior star came through the event all right as did grandpa Earl Attridge.

Jack Atkinson, a teammate of Bill, middle-aisles it with Miss Florence Bell of Aurora on June 28 and next Saturday, Normie Studden weds Miss Shirley Holman of Aurora.

Clinton is the next municipality on the list for artificial ice, with plans well underway.

North York softballers under Ernie Hughes, Art Briggs, George Stark and the rest who featured in the North Yonge league two years ago are going great guns at Wanless Park this year with Bus Benson and Junior Wright, who both have pitched many a tournament game at Zephyr, Mount Albert, Sharon, etc., on the mound. Rupe Hodge, colored catcher who caught for

## Sr. Ladies Win First

After dropping two straight, Newmarket senior ladies jumped into the win column Thursday with a 14-0 scalping of Stayner at the Fair Grounds. Hester Clark should sue her outfield chums. If they had hooked onto an easy loft into right center-Hester would have had a no-hitter. As it was Arlene Moore, our ex-Newmarket, hoisted a pop-up into the aforesaid field. It dropped in there safely and that was the only thing that looked anything like a hit for Stayner.

Hester, in slapping the win on record, whiffed eight and was in complete control. As far as the hitting went it was well scattered down the VanZant-Ruthven line. Local lassies peached in the grab bag for five first innings runs and were off and rolling to their steam-roller win, as they scored in all but one frame.

Hit leaders were Phil McNis, Mary Osborne, Barbara Watt, Lois Darrach and Hester Clark with two each. It was a solid sock each for Jeanne MacDonald and Mona Dean.

R.C.A.F. visit here tonight (Thursday) and Monday the VanZant nine will spread the welcome mat for Barrie in the lone Monday home game.

## Optimists Win Fourth

Newmarket Optimist bantams, with their bats singing a merry hit tune, gobbled up an 18-4 win over Aurora Thursday in a North York bantam baseball league contest. It was Optimists' fourth straight victory and gave them a well nigh unbreakable clutch on the league's top roost.

Optimist nippers counted 13 solid hits. Bill Cain, triple, double and single, Lorne Babcock, two doubles and a single, John McGuire, triple and single, led the batting. Jack Cain worked four, Don Thoms three in the winners' box. They found Jerry Doyle, with a long circuit clout, Keith Browning and Bill Jans, with two hits apiece, their most troublesome customers at the plate. Lefty Jack Brooks and Bud Sutton carried the pitching load for Aurora.

Aurora: H. McKenzie, J. Doyle, H. Hammond, K. Browning, W. Jans, D. Fines, R. White, B. Sutton, D. Bears, N. Egan, W. Brennan, J. Brooks.

Newmarket: D. Zozalo, L. Babcock, D. Lewis, D. Thoms, J. McGuire, C. McGuire, P. Ewing, B. Jones, G. Galbraith, B. Walker, W. Forhan, B. Cain, B. Hill, J. Hope, B. Wilson, K. Bell, J. Cain.

### ATHLETIC CLUB IN "RIDGES"

King Ridges Athletic Club is being organized. An athletic park is ready for use. It was officially opened by Father Francis McGoe and Father Charles Downes at a baseball game between the King Ridges boys and a team brought in by Joe Klukay. Maple Leaf hockey player and baseball promoter, on May 28, umpired by Frank Tatum, an experienced ball player and local resident.

The grounds, located on the subway sidroad west of the 5th concession, are nearly two acres in size and already some of the diamond equipment has been donated. On Saturday, June 28, a big field day will be held when the Klukay team is expected to return. Bingo, and other attractions are to be held with a draw on lucky prizes. The park and recreation committee are Earl Greenwood, Frank Tatum, John Lawlor, H. D. Parker and Tom O'Reilly.

## THE Calvert SPORTS COLUMN

by Elmer Ferguson

This may not be a seasonable time to discuss skiing, that sport which has grown in popularity in these Dominions by the proverbial leaps and bounds. But it might be as good a time as any to discuss a Canadian skier destined for even more fame than he has already acquired, who started his career on the long blades when he was only eight years old.

We're always intrigued by those stories of athletes who have devoted their lives to perfecting technique in their favorite sport, and a young man named Ernie McCulloch, native of the little Quebec city of Three Rivers, undoubtedly comes in that category. Here, we believe, is one of the really great Canadian athletes of our time, and even though warm suns are shining on the grass and the trees are in leaf, we feel we should devote a column to singing his praises.

McCulloch climaxed a brilliant career last winter when he captured the skiing "Grand Slam", never accomplished before by Canadian, American or European for that matter.

His phenomenal feat began when he captured the National Giant Slalom at Alta, Utah, followed with a smashing victory in the Aspen North American championships. He went on from there to capture top honors in the National Downhill championships at White Fish, Montana and his final triumph was in the Harriman Cup at Sun Valley.

When you consider he was competing against the very best in North America, and a field that included a sprinkling of former European champions, you get a quick vision of his greatness.

When McCulloch began his skiing career at the ripe age of eight years, he started practice jumping on a hill behind his home, and by the end of his first season, was jumping 40 feet.

By the time he was 13, he had already captured school-boy jumping meets in Montreal, Toronto, Quebec City and Ottawa. The long, lean youngster already had made a name for himself in the Three Rivers Ski Club with a record jump of 114 feet.

At this stage of the game, McCulloch began slalom and downhill work. At 15 he entered the downhill race in the Quebec City championships and finished second.

There's no such thing as skiing cautiously with Ernie. It's go-go-go from start to finish. His record of 56 seconds down the precipitous slopes of Mount Baldy in Sun Valley, is still a challenge for other stars. One young racer who completed the gruelling grind in a little over a minute remarked: "I don't see how anybody could possibly have gone faster than I did today without breaking his neck." Ernie didn't break his neck but was a full four seconds better than the aspirant to his title.

In 1949 Ernie rode to international glory on specially-designed, self-constructed skis. He beat the entire French team, consisting of Henri Creiller, George Panisset and Coulet.

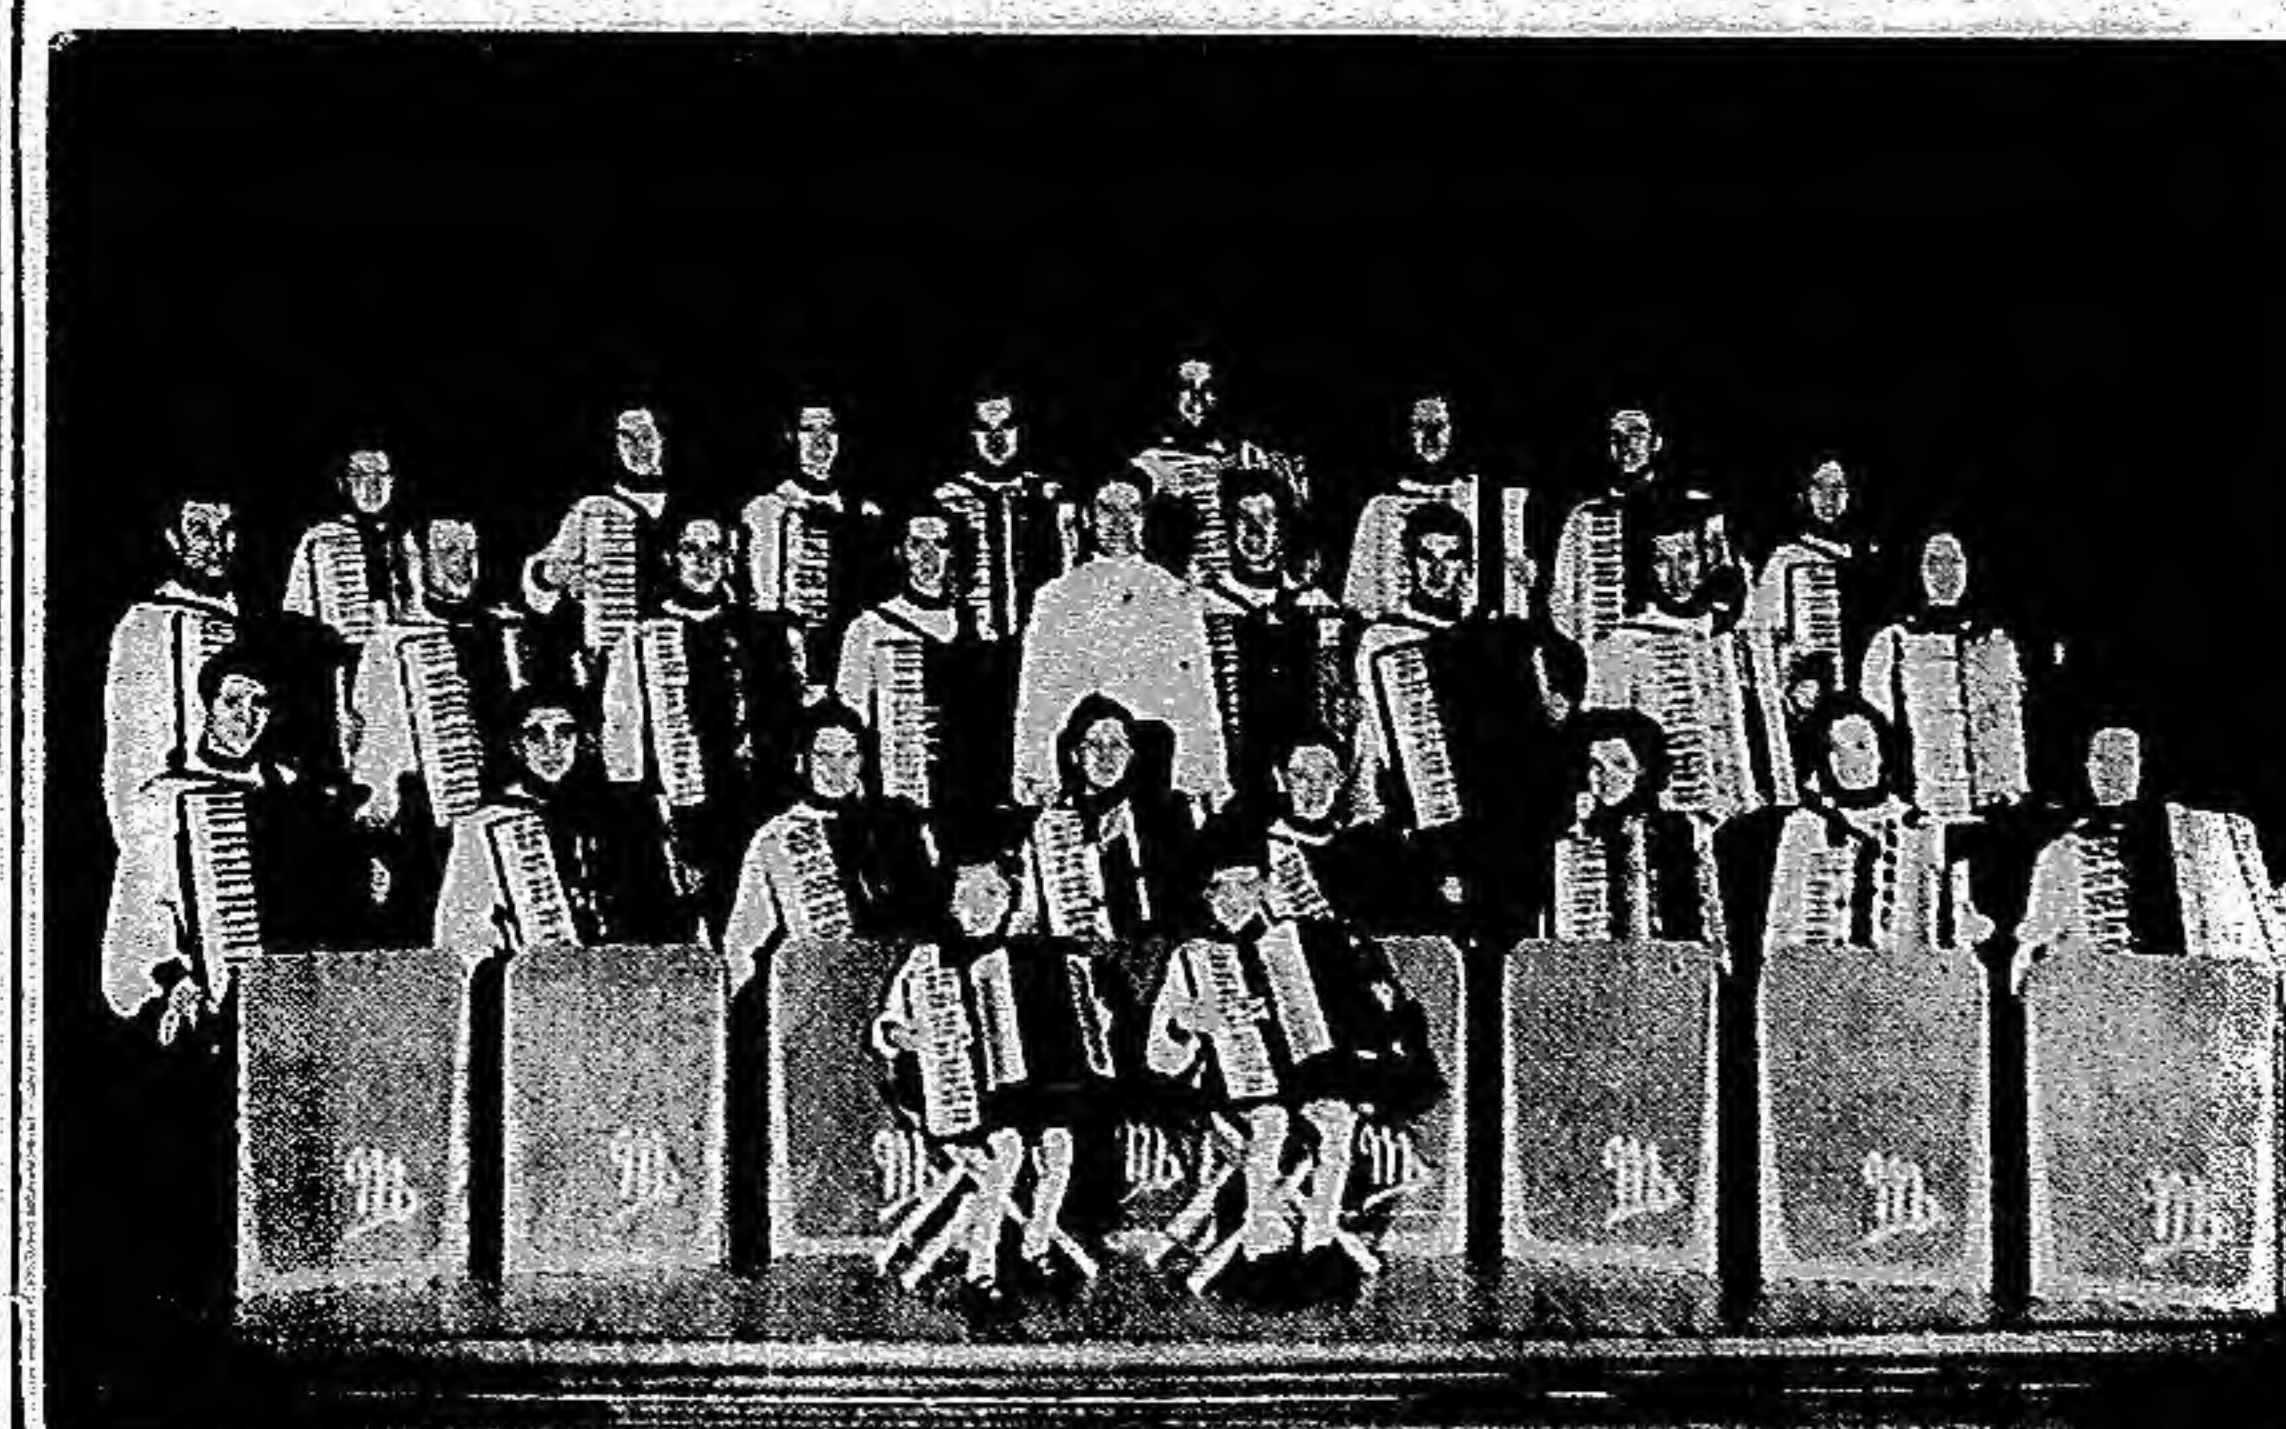

McCulloch won the Harriman cup again this year and if he wins again, becomes the only skier in history to take the award three times.

All this being so, we thought we'd write a column about a great Canadian athlete who has been overlooked.

Your comments and suggestions for this column will be welcomed by Elmer Ferguson, c/o Calvert House, 431 Yonge St., Toronto.

## Redmen Scalp Bradford Twice

Ugh! Redmen from Newmarket heap bad medicine. That was the way Bradford baseball circles were summing up last week. Reason was our Redmen came out of their wigmans swinging big war clubs to scalp Bradford twice, triumphing 14-6 in Bradford and recording a 6-4 home victory.

In the Bradford "at home", Newmarket sluggers tattooed everything two Bradford hurlers, Ken. Tupling and Evan Stevens, had to offer for an even dozen hits. Cliff Gunn led the Newmarket war party with seven a.b.'s via a homer, double and single. Hack Cain went four for four. Gunner's husky four-master in the first frame with the bases populated started the Redmen off and they never did an about face.

Ortie Thoms came up with a classy five hit job. Evan Stevens, opposition moundsman, lining out two of these to pace Bradford.

Here at home, Redmen polished up on their hitting to grab a 6-run margin in the lead innings. Ivan Gibson, pitching coolly and confidently, held Bradford to six scattered hits. Gibby's control skipped town in the sixth. A pair of walks, an infield error by brother Don followed by paired singles by Bus Carter and Bill Scholl catted Bradford their four runs.

Ivan Gibson took the lead in support of his pitching with two. It was one each for Don. Gibson, Jerry Hugo, Cliff Gunn, Stan. Winger, Wayne Robinson and Bill Grant as the Redmen tallied eight bingles. Cliff Gunn's running catches in the outfield, Jerry Hugo's fielding gems at short and three snappy double play efforts by Redmen infield featured afield while Veteran received Stan. Winger was a tower of strength behind the dish.

## King Wins Over Schomberg

Base hits, runs and errors were going at bargain basement rates as King City Maroons won a gasper 16-14 win over Schomberg Thursday in a Peel-York softball league "to do".

It was the first meeting of two rival factions this season and sent the fans home talking to themselves. King seized the lead in the lead-off innings with three runs and put the cap on their hitting show with three in the ninth for a 16-11 lead.

## Spill Aurora Opener

Aurora junior ladies made their first start in the Lake Simcoe junior ladies softball league Friday. Geo. Watt's Newmarket "Pin-ups" were on hand to provide the loyal opposition. Jumping away to a ten-run start in the first two frames, Newmarket spoiled the Aurora opener by taking down a 17-13 win.

Newmarket added to their 10-0 lead with three in the fourth and one in the fifth. At this stage, under the urgings of coaches Harold Stephenson and Tracy Barrager, Aurora gals decided it was time to do something about the deficit. They did it by rallying for seven in the fifth, four in the sixth and had Geo. Watt and company worried with a three-run seventh, but that's where their rally broke off.

Marilyn Lee, Glenna Woodhouse and Joan Quinn manufactured the bulk of the Newmarket hits in support of Loretta Forhan's and Glenna Woodhouse's pitching. Carol Taylor and Gloria Evans paced Aurora's batting, with Dot Castles doing the pitching.

Aurora: V. Sutton, D. Woods, M. Barrager, G. Evans, C. Taylor, D. Castles, J. Seaton, L. Fitchett, L. Evans.

Newmarket: M. Lee, G. Woodhouse, L. Forhan, M. Martin, R. West, L. Rogers, B. Gwilliams, B. McArthur, J. Quinn, J. Robinson, H. Tennant.

**Mount On Top Of Lake Loop**

Lake Simcoe softball league race is shaping up as a three-team battle or maybe it's four. Mount Albert sparked by the return of veteran ace Ken Mitchell lead, followed by Keswick, Zephyr and Queensville. Preview of the finals maybe.

Keswick and Ches Lunney's Blues clashed twice over the past week for a 4-4 tie at Keswick, and at Zephyr, Tom Hare's slugger platoon with 5 hit pitching from Harold Smith and a seven run spree in the fifth, smothered Blues 12-2.

At Keswick Blues saw an early 3-0 lead erased by Keswick's three in the third and one in the fourth. Blues gained a tie with a run in the sixth. It was a four-hit job by Harold Smith. Ken Pickering tripled, Carl Meyers, Ron Kester and Al Locke singled for Blues' hits. Ron Rowe hit three, Eddie Chadwick, Claude Pollock and Roydie Connell two each.

At Zephyr, Carl Meyers, Ken Pickering and Harry Howse were the only Blues in tune as Hal Smith shut down tight on five hits. Ron Rowe, Bob Pollock, Ken Hodgins and Tom Hare were Keswick's eager beaver sluggers.

Willard Cryderman's Queensville hopefuls achieved a pair of noteworthy wins last week. Lon Ganton, going along easily helped by long ball hitting from Bruce Greig, Jack Perry and Bill Burkholder, measured Willow Beach for a 12-7 coffin. Moving along safely behind a nine-run

## Mt. Ladies Win Second

A typical late innings rally that jammed nine runs into a sixth frame scoring feat enabled Mount Albert to defeat Queensville 16-8 in a Lake Simcoe junior ladies softball league contest Wednesday. The win was Mount Albert's second straight.

Mountain fielders booted a few rollers and muffed outfield lofts and before you could shake a stick, Queensville fashioned an 8-2 advantage. That lead stood up until Mount Albert hitters went on the rampage in the sixth. Mounties cashed three more runs in the seventh to complete the rout.

Lois Morrison and Ida Bertolin sported two big hits apiece. Marguerite Green, when she saw her pitching wasn't going to be enough, took a health cut for two safeties. Alma King put on a versatile three-hit display and Elsie Mitchell belted two in support of her pitching.

Mount Albert: M. Green, M. Harrison, L. Morrison, V. Harris, J. Wagg, R. Longhurst, I. Bertolin, B. Meyers, E. Green, M. Gerrow, J. Rolling.

## Aurora, Newmarket Split

Aurora and Newmarket pee-wee and bantam baseball nines took advantage of the Queen's Birthday celebration to renew their red hot rivalry with a twin-bill in the Aurora Park Monday afternoon.

The teams gained an even split on the afternoon's activity. Trailing 7-4 going into the last of the fourth, Aurora pee-wee's took advantage of a wild streak by three Newmarket hurlers and timely clutch hitting to push across seven runs, and that was all they needed for an 11-8 decision.

Coach Frank Hollingsworth called in fireman Wayne Crouth finally to get the Aurora run confagration under control. Archie Smith and Danny Collins, a pair of Bill Mundell's hurlers, gained the pitching decision. Red Liversidge, Keith Browning and Paul Babcock furnishing the hitting power. Francis Lewis punched out two well socked three batters to spark the Optimists hitting.

Newmarket returned the compliment in the bantam game. Erupting with the suddenness of a summer thunder storm, Optimists jumped Lefty Jack Brooks for nine runs in the third. That slugging bee set the Optimists on the road to a 12-8 triumph.

Lorne Babcock, Don Zogala and Don Thoms backed up Jack Cain's moting performance with a solid hitting show. Bill Wray, Dave Fines and Bill Jans banged away at a merry hit pace for the Mundellers.

## Keswick Gals Win Opener

Cushing 18 hits and plating nine first and eight sixth innings runs, Keswick ladies gulped to a 20-13 win over Sutton in their first outing in the Lake Simcoe junior ladies softball league. The game was played in Sutton Monday evening. Grace Curtis five, Kay Peters and Lyla Clark with three hits each delivered Keswick's one-two knock-out punch.

Ruth York found her batting eye to pound out a triple and double. Rita Riddell was Sutton's batting star with three, including two doubles. Mary Jean Sinclair supported her pitching with three singles. Lois Worral was coach Gord. Hare's nominee to cone the Sutton hitters, and she did just that in all but the first and seventh frames.

## LAKE PLAYERS' LISTS

Attention all Lake Simcoe Softball League teams! Here's an important message from President Ken. Hodgins: "This is the final week for completing your players' lists according to the league constitution. Lists must be completed and turned in on or before June 14. Lists may be left with President Hodgins or with Secretary Harry Brammer. Please do it now. Thank you."

## HASHMAN AWARD

## For Near Perfect Pitching

Softball is a pitchers' game. One hitters, two hitters and three hitters are becoming as common as test caterpillars and about as welcome as far as the batters are concerned.

So you can see it's getting more difficult for your Hashman to round up his weekly award winner. This week, however, the task isn't too tough. Hester Clark, mainstay of Peaches VanZant's senior ladies softball hurling corps, is our nominee. Hester came up with a near perfect hurling job Thursday as our senior gals won their first victory of the season, belting Stayner 14 - 0.

In putting that win across, although she had flawless fielding support, Hester faced 22 batters, one more than par for the seven innings course. It's possible, if her outfield pals had got after a pop sent into left field by Arlene Moore, Hester would have moved right into the charmed no-hit Hall of fame. As it was the pop up dropped in there and her no-hitter van-ooed.

One hit or no hit, it was still a masterful job and rates this week's Hashman award and Roxy Theatre pass.

## Mount On Top Of Lake Loop

Lake Simcoe softball league race is shaping up as a three-team battle or maybe it's four. Mount Albert sparked by the return of veteran ace Ken Mitchell lead, followed by Keswick, Zephyr and Queensville. Preview of the finals maybe.

Keswick and Ches Lunney's Blues clashed twice over the past week for a 4-4 tie at Keswick, and at Zephyr, Tom Hare's slugger platoon with 5 hit pitching from Harold Smith and a seven run spree in the fifth, smothered Blues 12-2.

At Keswick Blues saw an early 3-0 lead erased by Keswick's three in the third and one in the fourth. Blues gained a tie with a run in the sixth. It was a four-hit job by Harold Smith. Ken Pickering tripled, Carl Meyers, Ron Kester and Al Locke singled for Blues' hits. Ron Rowe hit three, Eddie Chadwick, Claude Pollock and Roydie Connell two each.

At Zephyr, Carl Meyers, Ken Pickering and Harry Howse were the only Blues in tune as Hal Smith shut down tight on five hits. Ron Rowe, Bob Pollock, Ken Hodgins and Tom Hare were Keswick's eager beaver sluggers.

Willard Cryderman's Queensville hopefuls achieved a pair of noteworthy wins last week. Lon Ganton, going along easily helped by long ball hitting from Bruce Greig, Jack Perry and Bill Burkholder, measured Willow Beach for a 12-7 coffin. Moving along safely behind a nine-run

## North York Wins Tournament

Five teams, Mount Albert, Office Specialty, Keswick, Oshawa Broncs and North York, furnished the softball action at Mount Albert's 28th annual sports day. The softball was good, bad and indifferent and contained the usual quota of thrills, fine pitching and fancy fielding.

Bill Taylor's North York entry, complete with ex-Beach league flingers Bus Benson and Gordie Wright, carried off the top money prize for the third year in a row. First to feel the lash of the talent-crammed Yorkers were Mount Albert. Bus Benson chucked a two-hitter as the Yorkers polished off Mount Albert 11-0. Ross Draper and Geo. Green spoiled Benson's no-hitter.

Keswick and Office Specialty hooked up in the other preliminary. Keswick jumped off with a four-run first innings on Bob Pollock's triple and Ken. Hodgins' single and held on for a 4-1 win. Specialty swingers were puzzled by Ron Kester's side-wheeling slants but managed three hits. Wilf Elshy's double and Bun. Cook's single gave the Specialty their lone run in the fifth.

Keswick went right back to work against Oshawa in the semi-finals, Oshawa parcelling a 5-3 decision with two runs in third and three in the fourth. Tom Hare's single started a Keswick two-run rally in the fifth but that's as far as it got.

Lashing for seven runs in the fourth and benefitting from five-hit pitching from Gordie Wright, North York swamped Oshawa 12-0 in the finals. Horace Pearson and Joe Case were in charge of the softball tournament. Bob Bell and Barney Revell handled the umpire assignment superbly.

## Aurora Town Hockey

Aurora town league hockeyists wrote off the season with a presentation and social evening at the Legion Hall Tuesday.

Busy and efficient league president Jim Murray called the gathering to order and reported "a most successful season and that he enjoyed every minute of it." First on the agenda was the presentation of trophies. Harold Stephenson the league's leading scorer was first to be honored. Geo. Haskett making the presentation. Presy. Jim Murray then took charge calling on Frank "Rocket" Young to step forward to accept the league's "best sportsmanship" award. The evening closed with a showing of sport pictures and a social evening.

## Leafs, Cubs Win

Leafs are setting a blazing hot pace atop the school pee-wee baseball loop. They made it four in a row Saturday, bogging the Royals 12-7. Ralph Bray, Brian Orton and Gary Butler put the sock in the Leafs' hitting.

Leafs counted seven runs in the fifth to parcel the decision. John Williams sandwiched two hits into a busy morning while Gary Campbell, Jim McArthur and Reggie Peterson counted a each in the Royals' cause.

Cubs and Chiefs had a 5-5 tie on their mittens for four frames. Then the Cubs dug in and slugged across seven runs to collect a 12-7 decision. Cubs got inspiration from the base hit production of Francis Lewis who went par for the course with a homer, triple and double. Eddie Thornton and Ernie Hartling were Cubs' other big guns. Don Jefferson, Larry Bone, Peter Vale and Bob Ketter supplied the Chiefs' long ball hitting.

**Haskett's**  
**HASH**  
BY GEORGE HASKETT  
Newmarket Sports Editor

Hail man's best friend, the pooch. Hate to admit it, but this week's discourse concerns "going to the dogs". Actually, we're not going to try to take you there but just use "the mutt" for comparison.

How much do you figure the town actually spends on minor sports? This paragrapher would hazard a guess at \$200. Notice the town fathers plan to dish up 2,000 smackerels to catch stray mutts. So there you are, \$200 for the kids and \$2,000 for stray mutts.

Guess we're not putting much into the future generation, or perhaps you don't agree sports for the wee nippers, keeping them occupied and out of mischief, is the right thing.

This paragrapher feels we do need minor sport and right now, more than anything else, we need a summer recreation director. If we're to get one, he must be appointed right smartly. The man's right here in town—that's Frank Hollingsworth.

The Recreation Commission should make the first move, but we guess asking that body to show signs of life is like baying at the moon.

When we mentioned that \$200, figure above, we didn't take into account the money our hard-working Optimists, headed by Don Warner and Jack Hamilton, have pumped into minor sports. Optimists probably spent \$2,000 over the past year in that direction. They're finding it hard to keep up the good work. In fact, they can't, and it's up to the rest of us—all of us—to aid.

Incidentally, before it slips our mind, Optimists have Don Messer and his Islanders at the Arena Saturday. Better attend and help the Optimists in their good work.

One sports minded chap with an ear to the situation suggests as a means to finance minor sports to by-pass the Recreation Commission completely and set up a minor sports association. Ask the town and all organizations to contribute. Lions, Rotary, Optimists, Legion, etc. and also sell memberships in the Hub at \$1. Might do the trick. Anyhow, it's worth a try.

Who are members of Recreation Commission? We're asked. Joe Dales is chairman, Rudy Renzius and Charles Boyd representing town council. Mrs. C. Best and Alan Perks the school board, Ted Gould, separate school. Charles VanZant and Lorne Paynter the citizens.

Halos and Rhubarbs: One curbstome critic at the Fair Grounds asks: "When are you going to fix this place up? First thing you know somebody will hit a loud foul and the whole works will crumple like a deck of cards. Diamond is going to

## Hoffman Lead Town Loop

Monday was prize night in the town league and the prize was first place. Seekers were Office Specialty and Hoffman, and the winners were Hoffman 9 - 6.

The game had about everything to recommend it for steady fan consumption. Bill VanZant, pitching steady ball, had the Specialty clouters handcuffed. Hoffman's got to Lefty Glover for five runs. It was two in the second, three in the third with Al Wilson, Roy Smalley, Don Gibson, Bill VanZant and Motts Thoms supplying the scoring magic.

Specialty looked to be dead ducks to the sixth. Somebody forgot to tell the Cabinetmakers to lie down and die. Tod Mosier, Bun Cook, Don Burch and Charlie VanZant paired six innings singles for four runs and taking advantage of a trio of Hoffman bobbles for two runs in the seventh and it was into extra innings. Came the last of the eighth handy Andy Andrews singled, Wilf Elshy erred on Pete

## Sports-Cycle Tie Hoffman

Sports-Cycle almost "dood it" Wednesday. No, they didn't win, but did the next best thing, holding Hoffman to a 7-7 tie. Office Specialty, seeking for all they were worth in the fourth and fifth—they played three and four runs respectively, cooled out Thompson-Bell 7-5 in the other contest.

Sports-Cycle and Hoffman in their bout took turn about in assuming the lead. Pressmen sprang three in the first. Sports-Cycle corps got those back in the second and counted singles in the third and sixth to command a 5-4 lead. Ken. Thoms' last of the seventh double scored Bill VanZant to tie it.

That's where it stayed down through two extra frames. Hoffman threatened in the eighth, putting two men aboard but Geo. Rose on the Cycle rubber shut off the rally before any damage could be done.

Hits were hard to come by with six for Bob Murray's men, seven for the Cycles, as Jack Andrews and Bill VanZant locked in a pitchers' duel. Ted Tidman was the only two-hit man in the Cycle list. Bruce Townsley whacked a double and single to spearhead Hoffmans.

Specialty out binged Thompson-Bell 11-10 in their tilt. Specialty got 'em like grapes, in bunches. It was three runs on five in the fifth. Don Burch was the winners' big stick man, four for four. Charlie VanZant came out his hitting slump with two.

—John McTavish spark-plugged Alf. Peel's pole climbers with three. It was two each for Don. Smith, Mickey Smith and Morley Cook. Don. Glover picked up the pitching decision from Bell's Morley Cook.

**AURORA SNOWER**  
A shower was given at the home of Mrs. Moffatt, Yonge St., on Monday night, June 9, in honor of Miss Helen Topper, bride-to-be of Clayton Rose. Miss Topper was presented with a bridge table and chairs. Hostesses were Mrs. Moffatt, Mrs. Youngs, Mrs. Fleury and Mrs. McQuade.

THURSDAY, THE TWELFTH DAY OF JUNE, NINETEEN HUNDRED AND FIFTY-TWO

## RECREATION COMMISSION

### Members Engage In Animated Discussion On Wading Pool And Ways Of Meeting Costs

The Aurora Recreation Commission held one of its longest, and certainly one of its most interesting, meetings on Thursday night, June 5. Under the chairmanship of Mr. Don Glass the commission surveyed problems ranging from the pulling down of the old red barn to a possible \$7,500 wading pool.

For a time it appeared as though it might be a meeting of council with Deputy-Reeve Murray and Councillors Corbett, Davis and Tucker present. The deputy-reeve and councillors were present as guests of Councillor Corbett who is a member of the commission. A notable commission member, Councillor Jim Murray, was unavoidably absent.

Among those present were Mrs. Matthews, representing the I.O.D.E., Mr. Larry Rubin and Mr. Frank Caruso representing the Junior Chamber of Commerce, both of whom are members of the committee concerned with the wading pool project; commission members W. Allen, J. E. Buchanan, Cliff Corbett, Les. Steadman, J. Offord, Rev. G. H. Purchase, P. E. Perryment, recreation director, and W. Harvey Bell, secretary-treasurer.

Don Glass informed the commission that the Band display in the town park had proved a great success. It was estimated that over 300 cars were parked and that the attendance of the public was not less than 1,200. The chairman paid tribute to the high school cadet band and the St. Andrew's pipe band.

Mr. Glass also paid tribute to the principals of the schools and Mr. Tom Carter for helping in making the band display the great success it had proved to be.

Among the various reports submitted was one from the recreation director who stated that there had been an average attendance of 120 at the swimming classes at St. Andrew's. He also paid tribute to the figure skating club and reporting on the playgrounds Mr. Perryment stated that there were three in full operation at the present time.

The recreation director pointed out that the problem of cutting the grass in the playgrounds had now arisen.

Mr. Corbett sardonically observed that he had warned them that that problem would certainly arise. The commission decided to place the matter in the authority of Mr. Corbett who is chairman of the town property committee.

Further reports concerned the appointment of playground supervisors at weekly salaries of \$10, payments to be made by cheque.

Mr. Offord reported that the Saturday night dances were still going successfully and that discipline was good. He stated that as there would be no dance this year connected with the horse show, the usual Saturday night dance would be held. Mr. Offord said the dances had been well supported.

It was resolved to send Mrs. Perryment a letter of appreciation in connection with her work at the swimming classes. The commission expressed its regret that Mrs. Buchanan was not yet restored to health and had found it necessary to return to hospital.

**Art Group and Classes**  
A letter was read from Mr. Murray Oliver expressing the thanks of the Art group for support given, and a further letter of appreciation was received from the Tennis club thanking the commission for its assistance to the club.

Chairman Don Glass said that he and members of the commission were encouraged by the receipt of such letters.

The commission expressed its thanks to Mr. H. Evan Murrell and Mr. Jim Wilson for donations for the work of the commission.

The chairman said that the art classes conducted by Mr. Tolman had terminated their activities for the year but would be resumed in the fall. Mr. Tolman reported that excellent progress had been made by the young pupils. The commission tendered its thanks to Mr. Tolman for the time and voluntary tuition given the students.

**Debate on Wading Pool**  
A long and animated discussion took place on the proposed wading pool. The discussion was opened by Mr. L. Rubin who, with Mr. Frank Caruso, appeared as members of the committee, acting in the interests of the Junior Chamber of Commerce.

Mr. Rubin stated that if a contract were to be entered into it would be necessary to have guarantors who would enter into an agreement with the contractor to undertake that payments would be met. He was suggesting that the Recreation commission would be a suitable authority to sign such a contract. Mr. Rubin submitted a series of clauses which he suggested the commission might discuss.

The speaker pointed out that whereas it was originally proposed to build the wading pool at an estimated cost of \$2,500, on the basis of voluntary labor, it was now recognized that such a plan was not practicable and the work would have to be put into the hands of a contractor.

Mr. Rubin said he doubted if much money could be raised by appeals to the public. The public, he said, had been so often campaigned that he thought the limit had been about reached.

**Varied Points of View**  
Mr. Rubin pointed out that no definite sum of costs had so far been arrived at, although they had two contractors' estimates, one for an amount of \$6,200 and another at \$5,900. The probable cost might run to \$7,500 or more. He suggested they might ask council to issue a \$10,000 debenture.

The names of the contractors who had submitted estimates for the building of the pool were not stated.

Councillor Corbett expressed surprise that a first estimate should be around \$2,000 and now it was being suggested that council should issue a debenture for as much as \$10,000. "I don't understand it," said Mr. Corbett.

Mr. Rubin asked if the commission would advance \$1,000 to enable the work to get started, the advance to be returned to the commission by September 1. "I'm pretty sure we can collect \$2,500," the speaker said.

Rev. Mr. Purchase said he doubted if the commission had any legal authority to advance \$5,000 less \$1,000.

Mr. Les. Steadman said it should be appreciated that grants to the commission had already spent, not what it proposed to spend. It was important to remember the difference.

Mr. Caruso observed that if the wading pool were got underway the commission would have put itself into business as far as that undertaking was concerned.

**Don Glass**  
Intervening in the discussion, chairman Don Glass said he did not think there could be any objections to the commission advancing the sum of \$1,000, subject to an undertaking that the amount would be returned at the date mentioned and providing arrangements were completed in the matter of a contract. He must remind them, however, that the members of the commission were appointed by council. He felt that the wading pool committee was a separate body and that it should submit final and detailed plans.

(Page 14, Col. 3)

## EDITORIALS

### BEHIND CLOSED DOORS

The Town Clerk came along to instruct us that a meeting of council and the arena board would be held on Monday night, June 9, but that it was to be a "closed meeting". Even before the Town Clerk carried out his "instructions to the press" we noted in the Banner report last week that it was to be a "closed meeting," though we didn't hear anything mentioned about that at last week's council meeting.

There may be good reasons in the particular circumstances for keeping out the press, for arena matters have now reached a point where the old members should resign or substantial reasons given why they should carry on. No doubt it was felt that keeping out the reporters on this crucial occasion would enable those present at the meeting to say their say freely without let or hindrance, i.e., publicity.

Public opinion is now so roused, however, that decisions made in private will not satisfy it. The safety of the building has been questioned as well as the administrative competence of the board. All that we said about the condition of the building, both old and new, in our article in Aurora News Page of May 29, was confirmed by what Mayor Rose had to tell council of the results of his personal inspection of the arena.

The citizens of Aurora will not be satisfied with the information that a meeting was held behind closed doors. They will want assurances on what steps are being taken to put the arena in trustworthy condition. They will want a full report on the outcome of the meeting with the arena board and council. In the absence of the press others must prepare a report for public satisfaction.

Mayor Rose is to be commended for his courageous and public-spirited attitude and outspokenness on a matter of vital importance to the town.

### CONTROLLING THE DOGS

The cost of the arrangements which the town council has made with the North York Humane society is considerable. There is bound to be some criticism from the taxpayers in regard to it. Aurora's quota is \$1,500 plus the dog tax. Next year the society will collect the dog tax only as Aurora's payment. The contract is for two years.

Against this cost several factors have to be set. As Mayor Rose rightly remarked, year by year citizens have complained of the destruction of their gardens by dogs running loose but nothing has been done about it. There is a dog-control by-law but its enforcement is dependent on the legal requirement of a pound and a trained dog-catcher.

Aurora had the by-law but not the necessary legal requirements to put it in action. Now, through its arrangement with the North York Humane society, it has all the legal authority and facilities for the picking-up of dogs on the loose. The great majority of the citizens of Aurora did keep their dogs under control. A small minority didn't. It is the disregard of this small minority which has made the arrangement with the Humane society necessary.

As much as most people, we are familiar with the depredations of dogs on the loose. It has been our exasperated experience on many occasions to refill a garbage tin which had been adroitly disemboweled by stray dogs. Only recently a child of our acquaintance was bitten by a dog that should have been tied up in accordance with a by-law that had been widely advertised. We could quote other instances of the menace of dogs left to wander at large.

All this will be changed now. Wandering dogs on the streets of Aurora will be picked up by a trained dog-catcher. Exasperated citizens suffering from dog nuisances should be fewer this summer.

### THE WADING POOL

At a meeting of the Recreation Commission held on Thursday night, June 5, a considerable amount of time was given over to a discussion of the proposed wading pool. Readers will recall that this pool, if and when it is proceeded with, is to be located at the south side of the arena. In the interim the arena itself is the subject of an enquiry that may have costly repercussions.

Several weeks ago a delegation composed of members of the committee appointed to look after the wading pool appeared before council. The delegation informed the chief executive body that the cost of the pool was estimated at around \$2,500. This figure was arrived at on the assumption that the pool would be created by voluntary labor.

This voluntary labor idea has been abandoned because it is felt to be impracticable. The proposition now being considered is to tender the work at a tentative cost of \$7,500. It may cost more; the sum of \$10,000 was mentioned. These possibilities brought into the discussion the question of asking the Board of Trade to release the money held that was formerly collected for a Memorial Hall and apply it to the wading pool project.

These facts will help to elucidate points that were under discussion at the Recreation Commission meeting which readers will find reported in other columns in this issue.

## COUNCIL SIDELIGHTS

### North York Humane Society Assumes Dog Control June 17: Banner Attacks Mayor Rose

A considerable amount of varied business was transacted at the last meeting of council. Two subjects were paramount: Dog control and arena problems. On both subjects Mayor Rose took a leading part. On the arena questions he spoke out with unusual warmth. What we are sure of is this: The Mayor said what a great many people in Aurora are thinking.

The dog control question took up a lot of time but it was always interesting. Mrs. Fielding very successfully explained the work of the North York Humane society to council, and Col. Dann answered most of the questions.

The problem of wandering dogs in the summer months has been coming up before council each year, but nothing has ever been done about it. There was a proposition before council last year to amalgamate with Newmarket and Richmond Hill in the pooling of the costs involved in appointing a trained dog-catcher and the installation of a pound. But nothing came of it and the dogs wandered freely as they had done in past years.

#### At Last A Cure!

The arrangement entered into with the Humane society is the best and the cheapest solution to the problem. To have set up a dog control centre here in Aurora would have cost the town approximately \$7,000. Such an expense would have been out of the question.

Now a cure has been found for the dogs that are let loose to foul vegetable gardens and dismember garbage tins. On the same night that the Aurora town council voted to sign an agreement with the North York Humane society the Richmond Hill village council took the same step.

Recently the Richmond Hill planning board asked council for \$1,500 for a year's working expenses and were voted \$50. But on the dog control problem that council voted \$875, plus the dog tax, a per capita calculation, as in the case of Aurora and Newmarket.

#### Features of Contract

Features of the contract entered into by the Aurora town council and the North York Humane society include the following: "The Humane society will accept full responsibility for control of dogs running at large, stray animals and cases of cruelty. The society will supply all food, shelter supplies, maintain truck, truck replacement, medical care, etc."

"Dogs picked up will be kept three days and if not claimed or adopted within that period will become the property of the society."

"Humane society will refuse to release any dog until tag has been produced and pound fee paid."

"Humane society will supply and sell dog tags and will retain the revenue therefrom."

**Operating After June 16**  
In accordance with the agreement, the North York Humane society has announced that it will commence to license and control dogs within the town limits of Aurora after June 16, 1952. License forms are obtainable from the town clerk's office, and these have to be filled out and sent with cheque or money order to the North York Humane society, Newmarket.

In these circumstances all authority rests with the society. If some Aurora dog owner allows his "best friend" to run loose on the street he may be surprised to learn that he will be required to pay a pound fee of \$2 within a period of three days to get him home again!

**Mayor's Service to Town**  
It is not our practice to fawn on the mayor of the town, or anybody else for that matter. Nor is it the practice of Mayor Rose to fawn on the press. For such reasons we can say without reservation that the head of the table did a great service to his town by speaking out frankly and fearlessly on the arena problems. Further than that he did an act of justice to two members of council, Corbett and Murray, in coming to their defence when they had been attacked.

Mayor Rose took time out to make a personal inspection of the old arena and the new part. He went there in the daytime when all the faults, and the possible dangers to human life, are plainly visible. If every member of council had made himself as intimately acquainted with conditions at the arena there could have been no dissenting voice.

The arena board has published no final figures on the cost of the new part which, as the mayor said, has cracks in the walls large enough to put one's fingers through. We believe our information is correct that the cost of the new part, so rapidly falling into decay, exceeded \$30,000 of the taxpayers' money.

We have constantly asserted that the arena board should have taken the citizens into its confidence and published full reports. Far from so doing we found it extremely difficult even to find out the names of the contractors who put up the new part and laid down the cracking floors. If boards will

not publish reports they are asking for criticism. They have only themselves to blame in inviting criticism.

The press ought to have been in on all arena board meetings so that the citizens could be informed on matters that rightly concern them. The present situation is the outcome of the secrecy that has been maintained.

**Attacks the Mayor**  
In its leading editorial of last week the Aurora Banner had the effrontery to attack Mayor Rose back-handedly by quoting some justified criticisms he made of what Councillor Jim Murray had described as an "inactive board." The Banner did not, of course, mention the mayor by name. That is the way of the Banner!

We suggest that the methods used by the Banner in regard to the arena problems have been "smoke-screens" released to protect certain old members of the arena board while at the same time concealing the true facts from the readers of the paper.

In its issue of April 17, 1952, the Banner published a report of an arena board meeting (to which this paper was not invited) over a large double headline which read "UNWARRANTED CRITICISM" ATTACHED TWO-FISTEDLY BY CHAIRMAN, MEMBERS."

The first paragraph read: "Winding up a discussion which lasted from 8 p.m. until half an hour after midnight members of the Aurora Memorial Arena Board unanimously empowered Chairman Frank Underhill to get into touch with the Mayor and seek an opportunity to meet town councillors, or arrange such other methods as he saw fit, to discuss recent criticisms of the Board's operations."

That was a report of an arena board meeting that was held on April 14. Yet at council meeting on June 2 Mayor Rose had to inform council that the arena board still had no plans and had made no approach to him to meet council. Whereupon he suggested that the arena board be requested to meet with council, and that such a meeting take place on Monday night, June 9.

**Earned Citizens' Thanks**  
Quoting the mayor's reprimand of the arena board's inaction over a meeting with council and plans to make the arena safe and in proper condition for public use, the Banner states: "Members of the arena committee and all citizens have a right to expect a higher standard of impartiality, of unbiased examination, of plain ordinary co-operation, than this statement suggests."

The Aurora Banner, which has under its present management been guilty of atrocious misrepresentations on its editorial page, wearing an ethical coat in public would in any circumstances present a pathetic figure. But that it should assume such a garment in order to instruct the present mayor of the town in "the cause of civic dignity" is not pathetic but ludicrous.

Mayor Rose has restored mayoral dignity to Aurora. He has conducted meetings of council with efficiency and expedition. He has not cluttered up the business of council with idle interruptions and sideline talk. He has given direction where direction has been necessary. He certainly is not in need of gratuitous "advice" from the Banner, which is unable to find its own way around publicly on public matters.

From personal inspection of the arena the mayor found it necessary in the public interest to speak in stern terms. He manfully defended those members of council who had suffered from "unwarranted criticism." He told the citizens what they ought to know. For so doing he has been chastised by the Banner. But who cares about the Banner!

Mayor Rose, Councillors Corbett and Murray: They have earned the thanks of the citizens of Aurora for their statements on the arena.

## NOTICE TO DOG OWNERS

The North York Humane Society has been authorized by the Council of the Town of Aurora to license and control dogs within the town limits after June 16, 1952.

Dogs under proper control need not be tied up but dogs running at large, or being a public nuisance, or without tags, will be impounded at the Humane Society Shelter, Main St., north of Davis Dr., Newmarket. If not claimed, and the pound fee of \$2 paid within three days, the animal becomes the property of the Humane Society.

License application forms can be obtained at the Town Clerk's office, Aurora, to be filled out and sent with cheque or money order to the North York Humane Society, Newmarket. Tag will be sent by return mail.

DOG FEES - MALE \$2.00; FEMALE \$5.00  
SPAYED FEMALE \$2.00

USE ERA AND EXPRESS CLASSIFIEDS IN TURNING  
UNWANTED ARTICLES INTO CASH

## TOWN OF AURORA NOTICE TO DOG OWNERS

The Town of Aurora hereby authorizes the North York Humane Society to control dogs running at large within the town limits.

All licenses must be purchased before June 16, 1952, when Dog Control will commence.

As of January 1st, 1953, dog licenses will be due and payable before April 1st of each year.

Aurora, Ontario, K. G. MOSES,  
June 3, 1952. Town Clerk.

## Aurora Teen - Ager's Club OFFICIAL SUMMER OPENING LIONS HALL Friday, June 13th, 1952

9 - 11:45 P.M.

A club for secondary school students only

— JOIN NOW —

Take a look at some of the club's planned activities

Softball	Mixed Swimming	Summer Dramatics
Volleyball	Outing and Hikes	Hobbies
Tennis	Modern Dancing	Bus Trips
Golf	Square Dancing	Inter-club Visits
Fishing	Table Tennis	Life-Saving
Horseshoes	Games Programs	Badminton

The club is open to high school students by application only; if you wish an application form send the form below to any member of the executive or to P. E. Perryment, Aurora Recreation Director.

REQUEST FOR APPLICATION FORM  
AURORA TEEN-AGERS CLUB

Open to boys and girls of the secondary schools  
Application must be approved by our own school committee and can be cancelled with the approval of the committee for any violation

Name ..... School Form .....  
Address ..... Phone .....

Membership to join 25c which will also entitle you to your membership and the big Mardi Gras and membership night at the Lion's Hall Friday, June 13, 9 p.m.

All teen-agers are invited to attend the opening membership drive

## WHAT THEY ARE SAYING

### Large Crowds Expected At Aurora Horse Show June 14: Volunteer Home From Korea

The Aurora Horse Show will open its 29th season on Saturday, June 14. We draw the attention of our readers to the full-page advertisement of this outstanding North York event, in which the co-operation of many leading Aurora merchants has been gladly given. It would have been easy for us to have doubled the list of local merchants had the space been available to accommodate them.

We thank the merchants whose names appear on this full-page advertisement for their willing co-operation in publicizing this great annual local event. It will be our pleasure to try and accommodate other merchants next year whose names were unavoidably crowded out from this 1952 issue.

An immense amount of work has gone into the arrangements for the show. Most of those who have carried out this preliminary work must inevitably remain anonymous. Many tributes have been paid to this year's secretary Mr. S. P. (Sam) Jarvis, for the untiring labors he has given in the cause of a successful event.

Mr. Jarvis in turn has expressed his grateful thanks for the ready assistance and co-operation he has received in making the show possible. All that is needed now for complete success is a fine day. Aurora News Page expresses its best wishes for a record turnout on Saturday, June 14.

#### The Attridge Garden

We looked in to see Mr. Victor Attridge the other day and found him busy in his garden. His many friends in Newmarket and North York county will be pleased to hear that he looks in first-class health.

The founder of one of the best-known lumber establishments in North York, Mr. Attridge is now enjoying business, though not gardening, retirement. His business is in the control of his son, Earl, though he visits the "shop" almost daily.

His pleasure is in his trim and artistically laid-out garden which is well-known both in and outside of Aurora. He had a lovely display of tulips this year. His next "show" will be the gladiolus. There are not many blooms in evidence at the present time, but the charm of this artist's garden on Mosley street must be seen to be appreciated.

As we were leaving Mr. Attridge we heard a voice saying: "If you want to learn about gardens come over here." It was the voice of Mr. "Joek" Willis whose property adjoins the Attridge garden. Mr. Willis, in garden outfit, in the bright sunlight, enjoying a half-day holiday, looked bucolic rather than pharmaceutical. A PhMB with a garden hoe!

Another Old-Timer  
We were sorry to hear that Frank Smith, expert hunter and shoe-repairer, was out of action as a result of sickness. We had tried the door of his store and found it locked.

It was of Frank Smith that Jack Penneck said that he believed he had repaired more soles than many ministers. However, you can't keep a good man down. On the day we wrote we saw Mr. Smith proceeding from the direction of his home to his store on Wellington. We hope Frank will make a complete health come-back. He is one of those honest-to-goodness old-timers that it is good to see around.

#### "Army" Armistage

We ordered a cab and found the driver was "Army" Armistage. He is a car-owner and driver with the Earl Stewart combination. He has just lately returned from Korea after some 15 months' service out there. Some of our readers may recall that a few months back we had a write-up of "Army" which appeared in an American newspaper, which in turn copied it from a Japanese paper. It described "Army's" reputation as a first-class cook for the Canadian troops. He told us that after the article was first published he received a raise of \$30 per month.

#### Asked about conditions in

#### AURORA ROTARY CLUB

The Aurora Bears hockey team, junior "C" semi-finalists, were guests of the Aurora Rotary club, and at the supper meeting among other guests was Mayor Rose, who congratulated the boys on their success. Representatives from a number of other service clubs were present. The supper was followed by a dance, which was well attended by friends of the hockey players. Dr. C. R. Houlding, on behalf of the club, presented car-digan sweaters with crests to the hockey team and their executive. The sweaters were a home product of the Aurora Textiles.

Korea, "Army" replied that there had been little or no action for months past and that the soldiers often wondered why they were kept there. He has a poor opinion of the communist troops. "They have to put women at the head of advancing parties going into action," he said, "in order to keep up their morale."

He is on leave of absence until July. But at his age it seems unlikely that he will be recalled. **Three Nine-Pounders**

John Morning, the proprietor of the well-known Yonge street drug store, was at his country home on Lake Simcoe last week for a day's fishing. He had the unusual good fortune of bringing in three nine-pound lake trout. We made no promise not to publish this fishing news, which we thought was "news." Nor did we promise Jack Penneck to hold secret the news he gave us of a day's fishing near Huntsville which brought him one nine-pounder.

The above are not "fish stories". The are true stories. **Rev. A. R. Park**

The Rev. A. R. Park and Mrs. Park are away for some time on a vacation. It will not be entirely a vacation for Mr. Park since he will fill preaching engagements for three Sundays in a row at Pembroke, Ont. It was at Pembroke where he preached as long ago as May 3, 1925.

On June 29 Mr. Park will preach at Brooke and Kinniskillin, near Sarnia, and there he will renew associations with his early ministerial activities.

The numerous friends of the Rev. and Mrs. Park will wish them a happy vacation. **Chet Osborne**

Somebody told Chet Osborne of the incident of a suitor sending a large and impressive bouquet of flowers to a new love while the engagement with an earlier fiancée had hardly terminated. "That," said the ready-witted and versatile Mr. Osborne, "is an instance of where ignorance is bliss 'tis folly to be wise."

A lot of people appear to have heard the 10:03 "Neighborhood News" program the other Sunday morning, putting Aurora News Page on the air with the story of "Honest Mount Albert."

None was more pleased than Fuller Brush representative, Mr. H. M. Marshall of Keswick, the narrator of the story of Honest Mount Albert. He came into our Doan Hall office the next day, accompanied by his very charming wife and daughter, Mary Lou, to ask if we had heard the broadcast. Mr. Marshall should have the freedom of Mount Albert conferred on him for all the favorable publicity he has promoted on behalf of that incorruptible community.

If such a ceremony should take place we hope those responsible for the arrangements will invite Mr. Don Fairburn of "Neighborhood News," John Meyer of the Era and Express and, of course, the humble and unsophisticated scribe who writes these notes. **Royal Theatre**

Clifford Griffiths, manager of the Royal theatre, is always bothered if any film he shows is in the least degree defective. The large crowds that saw "A Place in the Sun" may have noted that the sound effects were slightly jarred. Mr. Griffiths is anxious that his patrons should know that this was caused by circumstances over which he had no control, and was in no way due to any defect in the theatre equipment, which is excellent. Good "houses" are continuing at the Royal despite summery weather attractions. **The Mad Motorist**

Finding ourselves out of matches at 9:30 the other evening, we went down to John Hudson's confectionery store. We halted on the north side of Catherine to watch a motorist tearing north along Yonge. To our consternation he swung his car around on to Catherine, a few paces from where we stood. There was a sound of grinding wheels and the next morning we saw the impressions left by them. As he passed us he must have been doing 50 miles an hour. Had we moved a step we would not have been writing these notes.

Such men are killers. They should be deported to Devil's Island.

## Aurora Social News

Congratulations are extended this week to Miss Bernice Copson, daughter of Mr. and Mrs. Clifford Copson of Snowball, who graduated with honors from Victoria College. She will spend the summer in Napanee doing child welfare work.

The afternoon auxiliary of the Presbyterian Church held their meeting on Wednesday afternoon at the home of Mrs. Leslie Wilson, Spruce St. Miss Bertha Furguson of Montreal was the guest speaker.

Mrs. Lambert Willson has been visiting her daughter, Mrs. Donald Stevenson, St. Thomas.

The Rose Brothers of Toronto took charge of the service, morning and evening, in the Baptist Church. The special music of the vibratone, clarinet and bass violin added greatly to the service.

Grade eight pupils of the public school enjoyed their annual trip to Niagara Falls on Friday. They were accompanied by four of the teachers of the school.

Mr. and Mrs. Reg. Warren and family of Hamilton were guests on Sunday of Mr. Warren's father, Rev. Mr. Warren of Spruce St.

Dr. S. G. Chalk who has been in charge of the Ontario Hospital at Coburg, has been appointed acting superintendent of the hospital in Aurora. He succeeds Dr. Reddick who has been in charge in Aurora since it opened two years ago. Dr. Reddick is now with the Welfare Department in Toronto.

Dennis Mills, son of Mr. and Mrs. Stuart Mills, Yonge St., was winner of a \$700 scholarship at St. Andrew's College. The presentation was made at the annual field day on Friday.

Grade eight pupils of the public school were honored on Tuesday evening with a banquet sponsored by the Home and School Association.

Guests at the Presbyterian Manse this week are: Rev. E. J. White B.A., of Edmonton Presbyterian Church, Rev. Donald E. Flint B.A., S.T.B., of Historic Presbyterian church of Western Canada, Rev. Donald Nicholson of Clyde River, Prince Edward Island, Very Rev. J. B. Skene of First Presbyterian church, Vancouver, Prof. H. L. Stewart of Halifax, and Miss Bertha Furguson of Montreal.

Mrs. R. Hodgkinson of Wellington St. E., underwent a very serious operation on Friday in General Hospital Toronto.

Rev. J. Campbell McFarlane will be the new minister in charge at the Baptist church, succeeding Rev. A. R. Park. Mr. McFarlane will begin his pastoral duties early in November. Mrs. W. O. Mulligan, accompanied by her son, Capt. W. O. Mulligan, have returned from Montreal after spending a few days with relatives there.

The coming-out party and dance at the Granite Club, which Mr. and Mrs. Charles Delahaye gave for their daughter, Dwyne, and the rest of the graduating class of Loretto Abbey, on May 30, included the following graduates: Nieves Quijada, Mary Landy, Virginia Travers, Lenore Sullivan, Katherine Ward, Elaine Shepherd, Pat Slattery, Sheila O'Neill, Judy Kid, Susanne Murray, Norah Navin, Mary Lou Finlayson, Adele Knowlton, Audrey Carlton, Mary Kay Seitz, Frances Maxwell, Anne Loneragan, Isabelle Mackie, Mary Kirkpatrick, Mary Anne Burgess, Mary Lou Doherty, Pat Bauer, Elaine McKubre, Freda Sapuntzky, Irene Delaney, Vera Gratz and Carmen Solana. Congratulations to Mr. George Wilkinson, assessor for the town of Aurora, on the birth of his son and heir, as reported in the birth announcements in this issue.

(Social editor of Aurora News Page, Mrs. Roy Flerbeller, phone 4776, who will be pleased to receive news items and locals).

## SNOWBALL

Don't forget our garden party on Wednesday, June 13, at the United church.

Mr. and Mrs. John Alleyene of Queensville spent Sunday with Mr. and Mrs. Herb Patrick.

Mr. Wm. Gould is holidaying with his daughter, Mrs. Earl Sutherland, and Mr. Sutherland, Detroit, Mich.

Mr. and Mrs. Robert Teasdale and Jane, and Mrs. Norman Teasdale of St. Catharines, spent Sunday at the home of their parents, Mr. and Mrs. Norman Teasdale.

Mr. and Mrs. Errol Gould and family of Newmarket spent Sunday with the former's parents, Mr. and Mrs. Wm. Gould. A shower was given in honor of Miss Shirley Holman of Aurora at the home of Miss Blanche Morning.

Mr. and Mrs. Tom Evans of Scarborough Jct. spent Sunday with Mr. and Mrs. E. S. Reddick.

## Trees Planted At Whitchurch Township Hall

Two thousand red pine and spruce trees have recently been planted on the site of Whitchurch township community centre at Vandorf. These trees were set out to provide wind-breaks on the north and west sides of the property; and will greatly improve the appearance of the park grounds in a few years.

Work is to be started in the near future on a new fence which will be built on the north, west, and south sides of the lot. The new entrance to the property is to be located approximately in the centre of the 458 foot frontage.

Considerable ground work is necessary before the various projects, such as a softball field, tennis court, picnic grounds and a pond can be laid out. Ground must be levelled, fill added in places, trees trimmed and rubbish removed. A parking space, road, and bridges must also be provided.

The land was purchased for the township by the municipal council who also appointed the following persons to act as a community centre board: pres., Clifford Wallwork; representatives from council, Reeve Ivan McLaughlin and Councillor P. S. Legge; sec.-treas., Mrs. Harold Dewsbury; members, Mrs. Geo. Dewsbury, Mrs. R. Baycroft, George E. Richardson and Lawrence Hennessey.

At the inaugural meeting of the Centre Board, Mrs. Geo. Dewsbury was appointed convener of the community hall committee; George E. Richardson, convener of grounds committee; and Lawrence Hennessey of the sports committee, while the entire board acts as a finance committee.

The fine creek which meanders across the property lends itself greatly to ideas for the pond; the level of which may easily be controlled by a small dam to provide for either wading or swimming. West of the creek is an area which with some grading will make an excellent softball diamond; and to the left of the entrance, space has been marked out for a parking lot for cars.

It is hoped that all residents of Whitchurch will feel that this park is a township project, something in which all have a share, and that it is not confined in any senses to Vandorf and the immediate neighborhood.

As has been mentioned, the council purchased the land and 25 percent of the purchase price comes back in the form of a grant from the province. Twenty-five percent of the cost of all completed and approved projects on the property is also refundable up to the total sum of \$5,000.

The board, in beginning its work on the park, has had to start from scratch financially. Vandorf Women's Institute has offered its help, and it is hoped that other public organizations and individuals may take an interest. It is the hope of all members of the Centre Board that this park may develop into something of which all may be justly proud.

## Public Schools Festival Given Warm Applause

A spring musical festival was presented by the Newmarket public schools and the Newmarket concert band at the Memorial arena on Thursday, June 5. The venture was highly successful. The work of the band and children received praise from those attending with special mention being made of the solo work of the boys in the band.

The massed chorus of 200 voices was under the direction of Herman Fowler, Mus. Bsc., R.M.T., director of music for the local schools. William Greig was band leader and the piano accompanist was Miss Jean Rose.

One outstanding number on the varied program was a three-part choir of pupils from grade 7. Children from the classes of Misses Eva Barnes and Audrey Rowland contributed two folk dances. These were enjoyed equally as much by the performers as by the audience who were delighted particularly with the first dance, "The Roundelay".

"The Ash Grove", a selection by the chorus with delectable Mr. Fowler, was exceptionally fine. It was mentioned by out-of-town visitors to the festival as well as many local residents. Grade 5 pupils sang two numbers, "The Bouquet of Rosemary" and "A Sailor's Song". These 100 children were joined in these selections by the older ones in the main chorus.

A cornet quartet of Paul Cameron, Bob Park, Phil Boynton and Murray Bennington played an arrangement by Mr. Greig of "Abide With Me". Trombone soloist was Glen Poulton and called back for an encore was Don Langford with his cornet solo, "Stars in the Velvety Sky". In the final tableau, "Land of Hope and Glory", the band, chorus and folk dancers participated. They were joined by the color parties of the Newmarket cubs, scouts and guides with their leaders.

Mayor Joseph Vale presented cups and medals won by the band at the Waterloo festival and congratulated both the schools and the band for their excellent program. J. O. Little, "Father of the Band", accepted the awards on behalf of his boys and called attention to the need for further financial support of the band. Mr. Little told of one small community that had made a grant of \$2,000 to send their band to the festival. That sum provided new uniforms, needed instruments and paid travelling expenses. Newmarket's gift was \$75.

Present at the festival on Thursday evening were Mr. and Mrs. McKillop. Mr. McKillop is inspector of schools for this inspectorate. Eldon Brethour, director of music for the Toronto schools, attended, accompanied by his three assistants, Misses Alice Wilson, Gertrude Derry and Thekla Haist. They all were well pleased with the work of the children and congratulated their director warmly for the fine performance. Mr. Brethour commented on the fine tone of the choir, the solo work of the band as well as their general selections and the folk dances.

In extending his appreciation to the many who had assisted in presenting the musical festival, Mr. Fowler thanked the Newmarket Home and School association for decorating the platform and stage; the Era and Express for its advance publicity, W. H. Eves & Co. for loaning the lumber from which to build the stands and platform; Ivan Winkworth for building them; Stan Smith, arena manager, for his co-operation; Stewart Beare for the public address system; Misses Barnes and Rowland for training the folk dancers, and the parents and friends who gave their support through their attendance.

### RICHARDSON — HARBINSON

A wedding of interest was solemnized at the home of the bride's parents with Rev. Albert Bailey of Dundalk officiating, when Dorothy June, daughter of Mr. and Mrs. Robert Harbinson, became the bride of Edward Austin Richardson, son of Mr. and Mrs. Austin Richardson, Vaudor.

Given in marriage by her father, the bride wore a satin and lace gown with long sleeves and a full nylon net lace over satin. The skirt swept into a circular train. A full length veil fell from a Juliet cap. She carried a bouquet of white carnations and roses in form of a horseshoe.

Her sister, Margaret as bridesmaid was gown in mauve organza with matching Dutch cap and Frances Dennis as maid of honor wore lime green organza with matching Dutch cap. Each carried a nosegay of sweet peas in horseshoe shape.

David Richardson, brother of the groom, was groomsman.

The bride's mother received in navy blue crepe, trimmed with silk plaid and white accessories, while the groom's mother was in navy blue sheer with white accessories and wearing a corsage of pink roses.

Guests were present from Toronto, Aurora, Vaudor, Thorold, Newmarket, Kettleby and Sharon. For going away the bride wore a pale blue suit with white sailor hat and navy accessories, and corsage of pink roses. After a honeymoon to the U.S., the happy couple will reside in Toronto.

### SCOTT-BENNETT

Newmarket Christian Baptist church was the setting for a double ring ceremony, when Jean Hermine Bennett, second daughter of Mr. and Mrs. H. R. Bennett, Newmarket, exchanged vows with Robert Nicholson Scott, son of Rev. and Mrs. R. H. Scott, Fredericton, N.B., Rev. Fred Breckon officiated, assisted by the groom's father.

Given in marriage by her father, the bride was gown in a self-styled wedding dress of ivory satin and chantilly lace, the lace falling into a short train. Her fingertip veil was held in place by a lace and pearl Juliet cap. Her flowers were a cascade of cala lilies and lily-of-the-valley.

Mrs. Carl Moore, matron of honor for her sister, wore pink frosted nylon organza over taffeta and carried a cascade of pink roses. Bridesmaids Joan Widdifield, cousin of the bride, Anne VandenBergh, and Carol Bennett, cousin of the bride, were gown in green, mauve and blue frosted nylon organza over taffeta. They carried contrasting nosegays of mixed flowers, and wore floral head-dresses, and wore floral head-dresses, and wore floral head-dresses. Lloyd Harvey was groomsman and Robert Nicholson and Wilfred Elsie ushered. Muriel Broughton was soloist, accompanied by Mrs. E. Cano. The bride's mother received in a cornflower blue crepe and lace dress, and white accessories with a corsage of pink roses and sweet peas. She was assisted by the groom's mother in Alice blue crepe with navy accessories and a corsage of pink roses. For travelling the bride chose a two-tone gray flannel suit, with pink and black accessories.

and a corsage of pink roses. After a trip to New Brunswick and eastern States they will reside in Newmarket.

### HOSPITAL AUX. TAG RAISES \$900

Approximately \$900 was raised for York County hospital by the Hospital Women's Auxiliary in its recent campaign. Mrs. M. B. Seldon was general convener. The money was raised solely through house-to-house tagging with a Main St. tag day. It will be used to purchase an obstetrical table for York County hospital, a piece of equipment which is greatly needed.

The auxiliary wishes to thank all who contributed to the tagging campaign as well as to the volunteer canvassers for their assistance with the successful project. Anyone who was overlooked in the Hospital Auxiliary's campaign and wishes to contribute is requested to contact Mrs. Seldon—454.

### PENNY AUCTION ENDS GUILD YEAR

The Parochial Guild, St. Paul's Anglican church, Newmarket, held the last meeting of the season at the home of Mrs. Arnold Leader. Mrs. John Dales presided.

The social evening was highlighted with a penny auction. Mrs. Roy Lockhart acted as auctioneer. A contest on Ontario towns was won by Mrs. George Cuppang. At the close of the program, delicious refreshments were served.

### INVITE PUBLIC TO VISIT GARDENS

An invitation has been extended to members of the Newmarket Horticultural society and their friends to visit the Little's iris gardens, Richmond Hill. The visit sponsored by the society to help acquaint local residents with the many new varieties of iris available is open to all.

In his letter, C. E. Little said that visitors would be welcome at the gardens at any time of day throughout the week or on the weekend. There would be someone there at all times to conduct guests through their gardens. The iris will be in bloom from approximately June 8 to June 22 with the peak of bloom expected around June 15.

The Little's iris gardens are renowned for their many fine species which they grow commercially. Both C. E. Little and Robert Little have contributed to horticultural activities throughout the province with the latter serving on the Ontario Horticultural association's executive. Acting as judge at iris shows, speaking and showing colored slides of their iris at society meetings are among the other contributions these brothers have made. They welcome beginners and give every encouragement to those who have never grown name varieties to attempt this phase of flower gardening.

## BIRTHDAY CLUB

Birthday wishes are extended this week to:

Bernard Joseph Hill, Pottageville, 11 years old on Friday, June 6.

Sandra Gail Alaksinen, Toronto, 11 years old on Friday, June 6.

Lorna Evans, Pottageville, 14 years old on Friday, June 6.

William Melvin MacMillan, Newmarket, 8 years old on Friday, June 6.

Helen Marylene Shaw, Keswick, 12 years old on Saturday, June 7.

Lee Gould, Newmarket, 6 years old on Saturday, June 7.

Wayne Curtis, Bradford, 12 years old on Saturday, June 7.

Rhea Hamilton, Schomberg, 14 years old on Sunday, June 8.

Harold Morton, R. R. 3, Sutton West, 8 years old on Sunday, June 8.

Linda Pegg, Mount Albert, 6 years old on Sunday, June 8.

George Gould, Schomberg, 14 years old on Monday, June 9.

Billie Gordon, Keswick, 10 years old on Monday, June 9.

James Douglas Cooper, R. R. 3, Sutton West, 5 years old on Tuesday, June 10.

Nelle Evelyn Druery, R. R. 2, Aurora, 9 years old on Wednesday, June 11.

Wilma Ann Ellis, R. R. 1, Queensville, 6 years old on Wednesday, June 11.

Paul Wayne Cutting, R. R. 2, Newmarket, 7 years old on Thursday, June 12.

Betty June Rolling, Mount Albert, 12 years old on Thursday, June 12.

Donald Ash, R. R. 2, Newmarket, 3 years old on Thursday, June 12.

Send in your name, age, address and become a member of the Newmarket Era and Express birthday club.

## SIMCOE CHAPTER HAS 28TH BIRTHDAY

Simcoe Chapter, No. 110, O.E.S., celebrated its 28th birthday at Belhaven Hall, May 31. On this occasion the Chapter was honored by having past officers preside over its opening ceremony. Mrs. Jessie MacDonald and Mr. Harry Thompson acted as members of officers.

Members from almost every chapter of the district were represented, in all about 200. Simcoe Chapter was especially honored by the presence of Mrs. Mabel Mackereith, worthy grand matron of the Grand Chapter of Ontario, and Mrs. Pearl MacDonald, a past worthy grand matron.

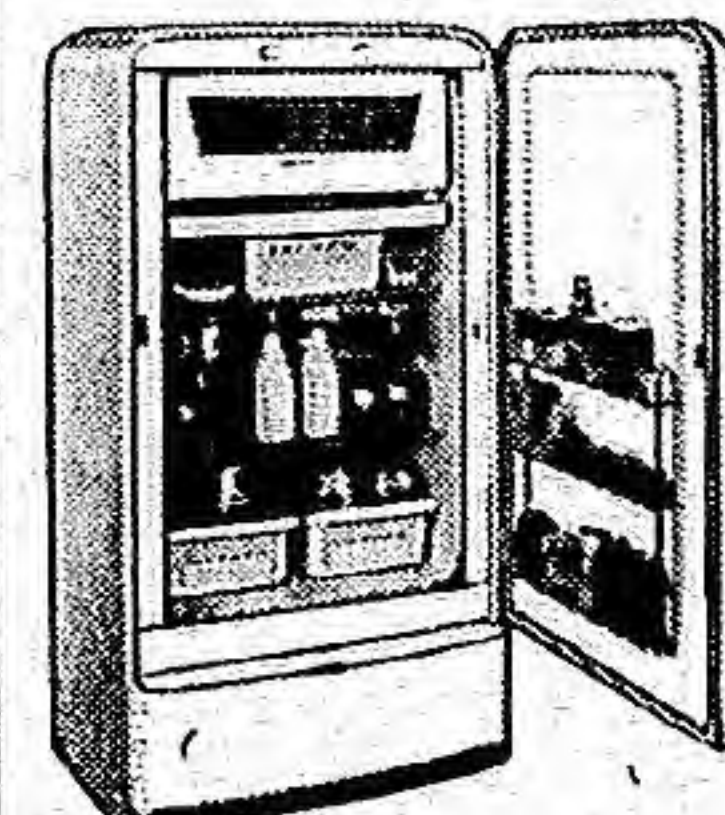

A small memento of this occasion was presented to each past matron and past patron. The matrons received a miniature gavel decorated with white ribbon and Lily-of-the-Valley, the patrons received a boutonniere of red rose and Lily-of-the-valley.

Following the presentation the conductress outlined the growth of Simcoe Chapter from its inception in 1924. At that time there were 27 members. The present membership is 102.

A very delightful lunch was served by the local chapter. During the lunch the members were entertained with solos by Mr. Terry Doane and readings by Mrs. Walt Hirst.

## Barbara Brent's **BUYS AND WHYS** A WEEKLY INFORMATION SERVICE

**MONTREAL**—Most people lock their doors when they set out on vacation. It's an elementary safety precaution. But windows, they are easy to "jimmy", and doors can be opened even when locked. That's why it seems to me that the best of all ways to protect your valuables is to keep them in a **Safety Deposit Box** at the **BANK OF MONTREAL**. It costs so little—less than two cents a day—and it saves so much worry and trouble. Another safety measure I've found while on holiday is **Travelers' Cheques**. They're extra-safe, so simple to cash... and only you can cash your cheques. And, by the way—why not start a **Savings Account** for your vacation next year? I've found it the easiest way there is to pay for a better holiday every year. You just put away a definite part of every pay-check—get used to living on a little less—and are you glad when holidays come round again, and you can at last afford that dream-trip? Why not open your **Savings Account** today?

**For Desserts** with old-fashioned, home-made goodness that husbands and kiddies rave about—here's a tip. I know you'll appreciate. Scoot to your grocer's and pick up some of those marvelous **JELL-O PUDDINGS**. So quick—so easy—so economical... and above all so downright delicious. There are four Jell-O Pudding flavours and three Jell-O Tapioca Pudding flavours. They're all delicious, prepared by the easy package directions and served just plain. But now and then I like to vary them—perhaps by folding diced, fluffy marshmallows into the puddings while they're still warm—or by sprinkling chopped-up nuts on top. Jell-O Puddings cost you only about 3c a serving to prepare—yet they make wonderfully nourishing, milk-rich desserts.

**One Thing I Never Forget** to take to the cottage with me... a summer's supply of **SAL HEPATICA**. Many's the bright summer day Sal Hepatica has "saved" for me! One glass of sparkling, pleasant-tasting Sal Hepatica before breakfast cleanses away that sluggish feeling—puts me in a real holiday mood. Have a headache?—feel "lower than a bug's ear"?... Sal Hepatica has been a faithful family laxative for over 60 years. You can use it safely merely as a refresher in the morning—or at night—when your system feels the need of a good cleansing. Be sure all your vacation days will be bright and shining—take Sal Hepatica to the cottage with you!

## **"The die has now been cast"**

An American manufacturer was planning to open a plant in Canada. He considered various locations and found what seemed a likely site. He talked to a local bank manager, got facts about the community and its facilities. Some time later the company wrote to the banker:

"The die has now been cast. It is our intention to locate in S... We feel that it is well suited to our particular operation. You have been of great aid to us. Your accurate and rapid presentation of facts necessary to reach a decision was top-notch."

Such letters show how a branch bank serves not only its own depositors and other customers but how, by assisting business development, it benefits the whole community.

This advertisement, based on an actual letter, is presented here by

**THE BANKS SERVING YOUR COMMUNITY**

## **Weddings**

### **CURRAN—LOVELESS**

A beautiful wedding was solemnized by Rev. Father Francis McGoeby in Sacred Heart Church, Mount St. Francis on Saturday morning, May 31, when Mildred Doreen Loveless, daughter of Mrs. Loveless and the late Murray Loveless of Aurora, became the bride of John Edward Curran, King Ridges, son of the late Mr. and Mrs. Alfred Curran. The church altar was decorated with red roses, tulips and white lilies. The wedding mass was sung by John McCrohan and Bobby Crook who also sang two-part hymns, "On This Day O Beautiful Mother" and "Anis Angelus". Miss Rita Regan was organist and the Sanctuary boys who served Mass were Jackie O'Reilly and Joe Deane.

The young bride, given in marriage by Mr. James Murray, a friend of the family, was a charming picture in white satin and lace trim gown, with long lily point sleeves, satin collar and bouffant skirt. Her small brimmed headpiece trimmed with white lilies held her fingertip veil and she carried red roses and cala lilies. As matron of honor, Mrs. Jean Brown wore a gown of lilac satin and net nylon and carried a bouquet of yellow roses. The groomsmen were William O'Reilly. The groom's brother, Private Bob Curran, a Korean veteran, and John Hughes were the ushers.

After the ceremony, the bridal party and guests motored to "Greystones", Aurora, for the reception of 40 relatives and friends. The bride's mother-piece received in navy blue two-piece suit, matching accessories and corsage of roses, spring flowers and lily of the valley. Assisting the groom's sister, Mrs. Thomas O'Reilly, chose navy gabardine suit, white accessories and corsage of red and yellow tulips, lily of the valley and fernery. After the wedding breakfast, Rev. Father McGoeby congratulated the young couple, and spoke of the happy union of families of the bride and groom. Father Downs congratulated the couple.

For her travelling costume the bride wore sugar pink gabardine suit, matching hat, white accessories and corsage of roses and lilies. After the reception, 50 relatives and neighbors met at the home of Mr. and Mrs. Thomas O'Reilly in the evening for a social time. The young couple are making their home at King Ridges, and have the congratulations from a wide circle of friends.

Guests were present from Aurora, King Ridges, Ballantrae, Agincourt, Streetsville, Newmarket, Agincourt and other points, ket, and other points.

### **FUNNELL—WEST**

On Saturday, May 31, in Pottageville United church, the marriage was solemnized by Rev. Gordon Hunter of Schomberg, assisted by Mr. J. Hammell of Kettleby, of Hilda Jean West, daughter of Mr. and Mrs. George West, to Raymond Arthur Funnell, son of Mr. and Mrs. A. Funnell, all of Pottageville.

Given away by her father, the bride wore a gown of rayon satin with sweetheart neckline, embroidered bodice and full skirt. Her fingertip veil was held with a coronet of orange blossoms. She carried a crescent bouquet of yellow roses and stephanotis and wore a string of pearls, the gift of the groom.

Kay West, her sister, was her only attendant in green taffeta with matching headpiece of roses and lily-of-the-valley. She carried pink roses and white lilies.

The bride's mother wore a blue crepe with lace dress, with hat and gloves to match, and a corsage of pink roses. The groom's mother wore a pink dress with white accessories.

Ushers were Fred West and Bill Kerr. Mrs. Jack Erwin sang "Because" and "Perfect Love", accompanied by Mrs. Harold Kearns at the piano.

The reception was held in the church hall. For travelling, the bride wore a grey suit with navy accessories. The happy couple left for a motor trip to points east. On their return, they will reside in Pottageville.

### **GARDINER—MOORE**

Trinity United church, Newmarket, was the scene of a pretty wedding on May 3 when Jacqueline Ivy Moore, daughter of Mr. and Mrs. Harold Moore of Collingwood, became the bride of John Francis Gardiner, son of Mr. and Mrs. Gordon Gardiner, Islington. Rev. Aiken officiated.

Given away by her father, the bride wore a princess gown of French lace over taffeta with train. Her fingertip veil was held in place by a heart-shaped headpiece and she carried a cascade bouquet of American beauty roses with white baby mums.

The bridesmaids, Marie Moore and Shirley Mills, wore matching gowns of mauve and yellow taffeta with lace boleros and matching headpieces. They carried nosegays of yellow and mauve mums. The groomsmen were Bruce Gardiner, brother of the groom, and ushers were Frank Moore and Ronald Gardiner.

a navy dress with a corsage of pink roses. She was assisted by the groom's mother in a powder blue dress with navy accessories and a corsage of pink and yellow roses.

For travelling, the bride wore a powder blue suit with navy accessories and a corsage of sweetheart roses. On their return Mr. and Mrs. Gardiner will make their home in Forest Hill.

### **FAWCETT—RUTLEDGE**

On June 7, in a setting of spring flowers, in the Chapel at the R.C.A.F. station, Centralia, Nursing Sister Muriel Rosetta Rutledge, daughter of Mrs. Marvin Rutledge, Mount Albert, and the late Mr. Rutledge, became the bride of Flying Officer William James Earl Fawcett, son of Mr. and Mrs. Stanley Fawcett of Chesterville.

Flt. Lieut. N. Bracher performed the ceremony; Mrs. James Spencer was organist and Mrs. Evans, soloist.

The bride, given in marriage by Wing. Cmdr. W. B. M. Millar, wore a gown of French lace and net over satin. A fitted lace bodice had cuffs and insertions of net, and her full skirt was of fine net. A redingote of lace and net which fastened at the waist had a flat collar and long lace sleeves and below the waist panels of lace and net swept into a frothy train. Her headpiece was a tiara of bugle beads and seed pearls which held her finger-tip veil of tulle illusion. She carried a spray of white daisy mums and stephanotis.

The bride's only attendant, Miss Margaret Ferguson, wore a floor-length gown of Wedgewood blue crepe with an open neck, long sleeves and draped skirt. To complete the ensemble she wore a matching hat and carried an arrangement of white daisy mums with ivy trails.

The groomsmen were F.O. Gordon Pyley, and ushers were F.O. Dorothy A. White and F.O. Margaret N. Brown.

The reception was held at the officers' mess, R.C.A.F. station, Centralia, where Mrs. W. B. M. Millar and Mrs. W. B. Bean received the guests. Mrs. Millar wore black faille taffeta sprinkled with gold and silver flowers, matching accessories and a gardenia corsage. Mrs. Bean was dressed in beige shantung with blending accessories and wore a gardenia corsage.

For their motor trip to Chicago the bride chose a twilight blue shantung dressmaker suit with matching hat, navy accessories and an orchid corsage.

A guard of honor was formed of eight fellow officers of the groom.

On their return from Chicago the happy couple will reside in Exeter.

**City-smart and country-cool**—this versatile sun fashion gives you a taller, more slender look, half-sizes! Reversible cover-up caplet buttons to dress, revers have contrast-color accent! Easy sewing, and so very useful.

Send your order to **MARIAN MARTIN**, care of The Newmarket Era and Express, Pattern Dept., Newmarket.

**38 MAKE TRIP TO PARKS SCHOOL**

A party of 38 visited the Niagara Falls Parks Commission school for horticulturalists on Sunday, June 1. The trip sponsored by the Newmarket Horticultural society, was convened by the society's vice-president, Bill Fish. Mr. Donaldson, director of the district V.L.A. office, made the arrangements with the Parks commission for the visit.

Space was reserved in the pavilion for lunch and the chartered bus took the group on a sight-seeing tour of the falls, river, whirlpool, stopping at the Rock Gardens, Hamilton, on the return trip.

## **ST. PAUL'S W.A. CLOSURES FOR SEASON**

The Evening branch, W.A., St. Paul's Anglican church, Newmarket, closed the season with a meeting at the parish hall on Monday, June 2. Mrs. Bert Budd presided. Some of the articles for the fall bazaar were turned in and plans were completed for the holding of a clothing sale in September.

At the close of the meeting, refreshments were served by the hostesses, Mrs. J. T. Rhodes and Mrs. William Peters, and a social half-hour was spent.

## **Needlecraft News**

by **Pauline Roy**

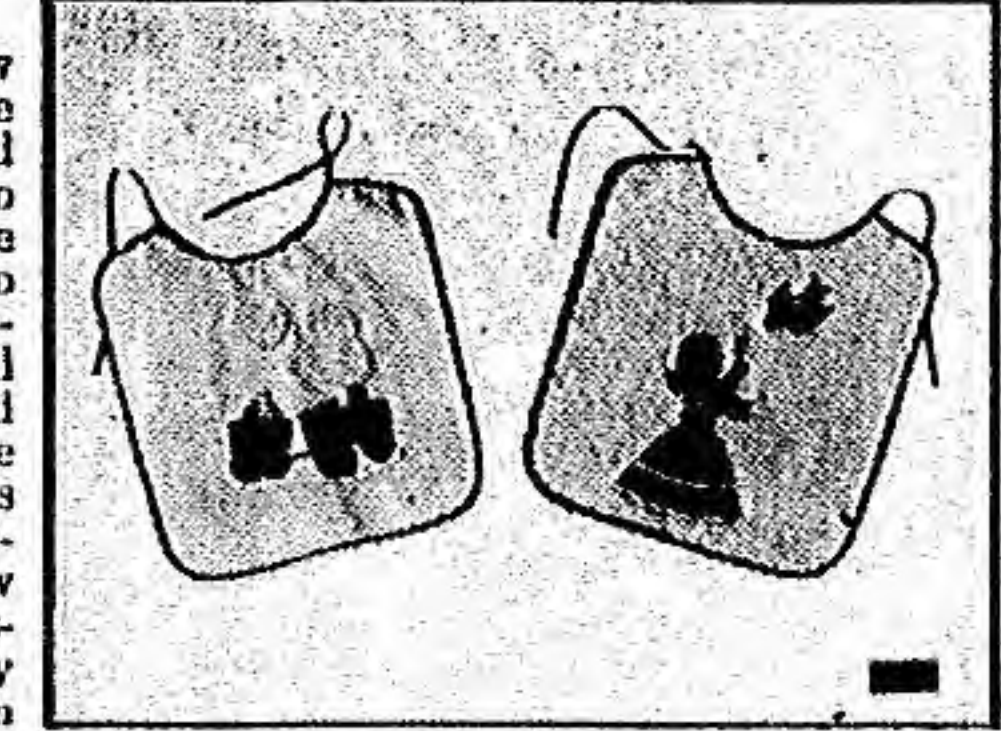

**BABIES ARE THE ONE** exception to the rule that "you can't eat your cake and have it, too". Budgeting for babies is fun, but budget you must for these Bundles from Heaven do make demands on your pocketbook out of all proportion to their size.

**Handmade Are Best**

Thrifty Mothers know the trick of adding little hand-embroidered and hand-crocheted details to their children's clothes. The simplest flannellette kimono made at home can be decorated with embroidered edges. Tiny embroidered floral sprays transform the plainest dresses and slips into charming individualized garments. Only a few simple stitches are necessary to make elaborately beautiful embroidery on baby dresses, sweaters, coats, robes or bonnets. The most popular is the satin stitch, simple over-and-over sewing in matching embroidery thread of mottered cotton or flax. This forms leaves, petals, dots, or cycles, and may also be used for stems. The outline stitch or French knot may be used, and the lazy daisy is used occasionally. Scalloping around the edges is done in buttonhole stitch.

### **Applique Trims Inexpensive Bills For Baby**

Terry cloth and bib-percale are practical oatmeal catchers for baby and inexpensive too if you make them yourself. The bib edges are finished with pink or blue bias bindings which serve as trimmings and ties and also give an attractive color accent. Smart little appliques in boy and girl patterns are used to give that finished look to the bibs. If you would like to have a direction leaflet to make the **APPLIQUE BIBS**, send a stamped, self-addressed envelope to the Needlework Department of this paper and ask for Leaflet No. R-109B.

## **What boosts a man's stock with people like these?**

**HIS BOSS**  
 Invariably, employers like the kind of man who readily accepts responsibility. And they know that this attitude is suggested by a man's ownership of life insurance. So life insurance can be a "plus" to a man in any line of work.

**HIS WIFE**  
 Many a man is rated "the best husband in the world" by his wife. But if he owns life insurance—which provides his family with financial security—he enjoys extra laurels because of his concern for their future.

**HIS FRIENDS AND NEIGHBOURS**  
 When they know that a man owns life insurance, they know he's trying to achieve financial independence for his family and, perhaps, for his own later years. And because he's doing his share in this way, they regard him with respect.

**Today, millions of Canadians are providing security for themselves and their families—and enjoying greater prestige—through owning life insurance!**

**AT YOUR SERVICE!** More than 50 Canadian, British and United States life insurance companies compete actively to offer you the best possible life insurance service. A trained life underwriter from any of these companies will gladly help you choose the kind and amount of life insurance that will best fit your needs.

**THE LIFE INSURANCE COMPANIES in CANADA**  
 "It is Good Citizenship to own Life Insurance"

**Oh Boy! This is the Life!**

You will likely do some boating too during your vacation—but remember the safety rules that will make your holiday a happy one. For added enjoyment travel by bus to your favorite resort.

**CONGOLEUM CANADA LIMITED, Montreal**

The Sutton Kinsmen Club has been authorized to operate the museum in Eildon Hall in the 400-acre property bought by the York County council last year as a public park. The property is in Georgina township, east of Jackson's Point.

It was purchased by council to make a park out of one of the last available properties along the lakeshore, Eildon Hall, on the former Sibbald property, is a treasure house of relics of other ages. It is full of the mementoes of a family whose sons and daughters have wandered far and wide over the years but who brought back with them colorful souvenirs of their journeys and their careers.

Rev. W. D. Smith, only minister president of a Kinsmen club in Canada, is shown at the right while Kinsmen Orval Ewart, in a set of maharajah's robes, shows Mrs. Olive Steale a Mongolian warrior's helmet. Mrs. Steale is a great granddaughter of the former owner. On the table is an idol dating back to 700 A.D., at the time of Kublai Khan.

The uniform of Fleet Surgeon Thomas M. Sibbald, one of Susan Sibbald's nine sons, is worn by Victor Timmins of Sutton as he and Clifford Thompson stand before a painting of another son who was a captain in the Royal Navy. The uniform was found in a sea chest in the hall of Eildon Hall.

#### ZEPHYR

On Saturday, June 8, Mrs. W. J. Rynard attended the wedding of her youngest son, Roderick, to Miss Denise Snow of Toronto. Others from here who attended this wedding were Mrs. Gordon Rynard, Mr. and Mrs. Mervin Rynard and Mr. and Mrs. Clarkson Arnold.

Mrs. Hackner of Ashworth is spending a few weeks with her daughter, Mrs. Ross Weller. Congratulations to Mr. and Mrs. Ross Weller on the birth of a son.

Mrs. John Galbraith returned home from Newmarket hospital. Congratulations to Mr. and Mrs. Galbraith on the birth of a daughter.

The Bible society meeting was held in the North United church on Monday evening. A splendid film was shown depicting the society's wonderful work in evangelizing many parts of the world.

An unusual film, "You Can't Win", will be shown in the United church on Wednesday evening, June 18. This film is an illustrated sermon produced by Bob Jones University, Greenville, South Carolina.

Don't forget the ball game on Tuesday evening, June 17, Willow Beach vs. Zephyr, at Zephyr park.

Guests of Mr. and Mrs. Jas. Galbraith on Sunday last were Mr. and Mrs. Wilfred Galbraith and children of Dundalk and Mr. and Mrs. G. Parker and Peggy of Weston.

Mrs. Wm. Rynard, Miss Elva Stark, Mrs. D. Graham and Miss Isabel Ballard, attended the Toronto Eastern Presbyterian meeting at Agincourt on Wednesday last.

Mr. and Mrs. Don Anderson and family of Belhaven visited Mr. and Mrs. Cecil Harrison on Sunday.

Don't forget Zephyr sports

day on Saturday, June 28.

A number from here attended the Mount Albert sports day on Saturday.

A number of W. I. ladies visited the W.I. meeting at Sandford on Thursday.

#### MOUNT ZION

The pupils of Mount Zion school were awarded the prizes for the highest number of athletic points at Mount Albert sports day. Miss Shirley Blanchard represented the school by having the highest score, and received the \$10 first prize and the silver cup donated by Dr. MacPherson. Bobby Smith won the \$25 door prize.

Weekend guests of Mr. and Mrs. J. Bertolin were cousins from Detroit and Mr. Bertolin's brother from Toronto.

Miss Betty McTaggart visited Patsy Morris on Sunday.

Mr. and Mrs. Martin Woodward had their two daughters and family home for the weekend, Mr. and Mrs. Pier Joritsma, Brampton, and Mr. and Mrs. Glen Davies, Larry and Judy, Toronto.

Sunday guests of Mr. and Mrs. Tom Swanson were Mr. and Mrs. Lorry Facey, David and Barbara, Mr. and Mrs. Hugh Banks, Mr. Banks Sr., and Mr. and Mrs. L. Pingle.

Mr. W. E. Clark, Watrous, Saskatchewan, is visiting his brother, Mr. J. B. Clark.

Mr. and Mrs. Lorne Holborne, Belhaven had dinner at Mr. and Mrs. J. B. Clark's home on Sunday.

Mrs. Bruce Longfield visited Mrs. Percy Coates on Thursday. Sunday services are: Sunday

school at 10 a.m.; worship at 7.30 p.m.

Mrs. John Kellington accompanied Mr. and Mrs. Stan. Shanks to Mr. and Mrs. Stan. Shanks for Sunday dinner.

Mr. and Mrs. Bill Smallwood spent the weekend at the home of Mr. and Mrs. Stan. Shanks.

#### PINE ORCHARD

Mr. and Mrs. Ross Armitage, Mr. John Sytema and Mrs. Arthur Boyd of Yonge St. attended a zone meeting of the Federation of Agriculture at Ancaster recently.

Mr. Sam Gibney, Mrs. W. Reid and Miss Helen Reid attended the funeral of their cousin, the late Lloyd Gibney of Vancouver, at Mount Albert on Saturday.

Mr. and Mrs. Jack Norris and family of Toronto spent the weekend at the Grindall home.

Willing Workers met at Mrs. Dolmer Preston's lovely new home on Wednesday, June 4.

Mrs. L. Harper and Mrs. Elmer Starr had charge of the devotionals. Mrs. Walter Johnston gave a splendid paper on "Courage in everyday living."

There was a reading by Mrs. Elsie McClure. Mrs. W. Proctor's girls' double trio from Sharon public school favored us with several delightful selections. Mrs. Earl Toole was present again after illness. It was decided to hold an ice cream social at Union church on Friday evening, July 18, with musical program and pictures.

Lunch was served by hostess and a social time enjoyed.

Miss Leonora Starr of Newmarket was a Sunday guest of Mr. and Mrs. Ross Armitage.

#### SCHOMBERG

(Too late for last week)

Mrs. M. Hague spent Tuesday and Wednesday in Toronto with friends.

The Evening branch of the W. A. held a quilting at the home of Mrs. Walter Thompson Wednesday last.

Mrs. Andrew Mitchell visited friends at Buton recently.

A bus load of people from here attended the service held in the Maple Leaf Gardens on Sunday evening.

Mr. Wm. Poyntz passed away Monday morning at his home in Lloydtown. He has been in failing health for some time back but he seemed improved this last few months. He had been employed at the Graham lumber factory and was working Saturday. He took a keen interest in community and church work and for the past years he has taken the services for Rev. Mr. Abbott while on holidays. He was always willing to do a good work. He leaves to mourn his loss his wife.

A shower for Mrs. J. Armstrong (Marie Edwards) was

held at the home of Miss Golda Aitchison on Monday evening.

Mr. and Mrs. A. Henderson of Bolton visited Mr. and Mrs. T. Coulter on Sunday.

Mrs. Carter and Miss Ialeen Carter of Wilson, U.S.A., spent the weekend with Mr. and Mrs. R. Davis and Mr. and Mrs. R. Dixon.

A euchre in aid of the light fund was held at Lloydtown school on Friday evening. Thirteen tables played. Lucky draws went to Mr. Wm. Hollingshead and Mr. G. Armstrong, Schomberg.

Winner tells secret  
"It is no secret that white clothes are a 'must' for a tournament tennis player and they must be really white. I use Reckitt's Blue in my rinse water to prevent any possibility of a yellow tinge and my clothes are always safe from harmful chemicals. Out of the blue comes the whitest wash—and Reckitt's Blue costs just a few cents a month!"

Always Remember...

... that you should not pick the Trillium, our provincial floral emblem. Since its three leaves are near the top of the stem, they usually get picked with the blossom. And as the leaves feed the root, the whole plant dies of starvation. Protect the Trillium... it is part of your outdoor enjoyment.

# King City And District

MRS. LAURA ROLLING, CORRESPONDENT. PHONE KING 8

An empty, driverless gravel truck received \$25 or more damage last Saturday noon after it, backed 75 feet down Tannery Hill, broke two posts off a guard rail fence, and dropped 20 feet into the ditch on the south side of the roadway. The accident happened while the owner and driver, Alex Morning of Newmarket, had left the parked vehicle with its broken drive shaft, to telephone Drinkwater Motors for a tow truck. Mr. Morning had unloaded the gravel onto the north side of the road and while he was away the brakes failed to hold. Luckily, no other vehicles happened along when the heavy truck began to roll. It required two and a half hours to haul the big machine from the ditch.

A new Monarch car owned by Howard Detels, manager for Storms Construction Co., was damaged to the extent of \$250 last Friday afternoon when a gravel truck being driven for the construction company backed into the car on the Aurora side-road, a half mile west of Yonge Street. Mr. Detels had stopped to speak to the driver of another truck when the accident happened. Fleetwood Motors had just recently sold the car to Detels and were called to tow the damaged vehicle to their garage for repairs.

**New Chairman**  
Mrs. Ewart Patton is the chairman of the local association sponsoring King Brownie Pack. Mrs. John Rieborough, who was a Girl Guide captain in England, is the secretary. Mrs. Fred Hare of Temperanceville is the treasurer, and Mrs. David Wotherspoon is badge secretary. The officers were chosen at the annual meeting of the association held at the Anglican rectory on June 5, when Mrs. Gordon Tetley vacated the office of chairman. Mrs. I. L. Scott, secretary, and Miss D. Patton, treasurer.

The new executive will be glad to receive memberships into the association to promote the work of the Brownies, so ably led by Mrs. Marion Laing, who has reported that \$25 was made from the sale of cookies on "Cookie Day", when 20 Brownies sold 288 boxes. The response was so hearty from the general public that more orders could have been taken had the little girls realized how interested the community is that their organization flourish. In the fall the L.A. hopes to plan an afternoon tea and bake sale.

**Shower for Mary Regan**  
A miscellaneous shower was arranged by Miss Pat Deane, Miss Marie Deane and Mrs. Matt Noel for their friend, Miss Mary Regan, and held in the auditorium of Sacred Heart school on Tuesday when a number of friends and neighbors of Mount St. Francis community presented the bride-elect with numerous gifts. The daughter of Mr. and Mrs. W. J. Regan, 5th line, Mary will become the bride of Paul Reginald Winstall at a ceremony in Newman Hall, St. George St., Toronto, at 10 o'clock, Saturday, June 14. Her sister Rita will be bridesmaid.

Mrs. S. W. Armitage of Maple was entertained last week at the home of Mrs. Colin Stewart who held two bridge tables of her King friends as a farewell gesture to Mrs. Armitage, a former King City resident, who is taking an extended visit to friends in western Canada. Mrs. Dan Rawlings entertained the previous week for Mrs. Armitage. Sing in Massed Choir  
It was a rare experience for

The first sale by Kingcrafts, in King Township, was held at the home of Sir Ellsworth and Lady Flavell on the seventh concession of King on Wednesday afternoon of last week. Left to right are Lady Flavell, president of the organization and Mrs. Geoffrey Beatty, convener. Era and Express photos

## New Post Office

The federal postal department has sanctioned a new post office in a building which will include a drug store with a second story living apartment. The building will be started in July and will be conveniently located on the McDonald lot at the rear of Postmistress Mrs. W. F. McDonald's own house, facing King St. There is good reason for wanting new quarters to handle tremendous quantity of mail that passes to local customers and over three rural routes. The post office has been located in the present store building for 30 years, although at one time it was placed in the centre of the store. The McDonalds have been postmasters for 60 years or more.

John Perry, druggist at Maple, intends operating a branch of his business in the new McDonald building.

**Legion Jamboree June 18**  
In preparation for the sixth big Legion jamboree on June 18 in Memorial park at King City, Legion members worked Tuesday and Thursday to make ready for the event which has a full program of activities for young and old. The ladies' auxiliary under Mrs. Arthur Fleet, president, has a full share in making the carnival one of the best. Mrs. Fleet and the secretaries Mrs. Alex Campbell, have purchased all the prizes for the big bingo. In the long list of fine merchandise there are sets of beautiful figured and colored bath towels, table cloths, dishes and novelties.

Leo Paxton's orchestra will play for the dance and the draws will be made during the evening. Gate prizes given by the Legion and by the auxiliary are a bleached oak coffee table made by Comrade Ches. Cumby, and a doll dressed in 20 one-dollar bills. Mr. Frank J. Armstrong motorized to Niagara Falls, with his nephew, Ted Armstrong of Kettleby, and his mother, Mrs. Sam Armstrong, to attend the funeral of a sister-in-law, Mrs. Wm. Armstrong, who was buried in Niagara Falls cemetery on Saturday. They left on Friday returning to King City on Sunday. While there, Mr. Armstrong was a guest at graduation ceremonies at Niagara University, when his grand nephew, Paul Clement, received his Bachelor of Arts diploma. He will enter the Georgetown University, Washington, to take a law course.

On Sunday, Miss Dorothy Armstrong was visited by Toronto friends who came to see her before she leaves for a ten weeks' trip abroad on July 2. They were Mr. and Mrs. Cliff Tetsell, Mr. and Mrs. Victor Easton and Miss Jill Goplen. The girls had all become friends when they and Dorothy took a sight seeing trip to California a few years ago. Miss Armstrong will sail on the Scythia from Quebec for a tour of England, Scotland and places on the continent.

**James T. Jenkins Honored**  
Mr. James Thomas Jenkins, principal of Jarvis collegiate, Toronto, received an L.L.D. degree from the University of Toronto, by Rt. Hon. Vincent Massey, chancellor of the University and Canada's governor-general, at graduation ceremonies on June 6. He was selected with six other Canadians for the honorary degrees. Mr. Jenkins is the son of the late Mr. and Mrs. J. L. Jenkins of King and was raised first in Whitechurch township, coming to King to Maple Ave. Farm and later to the village. He attended Aurora high school. Mr. Jenkins has had a distinguished career and is outstanding in his field. He has been prin-

**Geoffrey Johnston, B.A.,** has received second class honors in his first year law course at the University of British Columbia, Vancouver. A graduate of the University of Toronto, he had majored in political science before entering the B.C. school of law, which is a four year course. Because the B.C. law school is considered exceptional, some of Mr. Johnston's fraternity brothers expect to enrol in the university there.

His parents, Mr. and Mrs. C. E. Johnston, 7th line, and Col. and Mrs. Usher, parents of Mrs. Johnston (Mary Usher) are proud to learn the young man is so successful.

Miss Aileen Scott, eldest daughter of Mr. and Mrs. Earle Scott, who teaches in Fair Meadow public school, North York township, will take a five week primary methods course at Ottawa, leaving here July 7. She will teach grade 2 in September. **Hospital Canvass**

The sum of \$162 has been collected in King district in aid of York County Hospital Auxiliary by a committee representing King City Women's Institute. Last year the canvass was \$140.

Miss Marjorie Jarvis, chief librarian of King Memorial Library, reports excellent sessions of the Ontario Library Association held at London, Ont., during the last week of May. She attended the 50th anniversary banquet of the association and was seated at the head table and introduced as one of the past presidents. Miss Jarvis met people from across the province whom she had not seen for years and was delighted by the reunion of former associates.

## Kingcrafts Sale 'Success'

The inaugural sale by Kingcrafts won the praise of 700 people who came to "Kingswold", the home of Sir Ellsworth and Lady Flavell, the president, on June 4. It was the first event of its kind in King township, and was convened by Mrs. Geoffrey Beatty.

A large representation came from Toronto and nearby areas, including a group from Newmarket handicraft club, others from Aurora, Richmond Hill, Oak Ridges, Vaughan township and a large number from all parts of King township, with Schomberg sending 15 ladies.

Mrs. Moyer, founder of the Georgetown craft organization, was a visitor as was Mr. Charles Tisdall, vice-president of the First Canadian International Hobby and Homecraft Show, to be held in Toronto's Coliseum next February. He was impressed with the workmanship.

The captivating beauty of Kingswold, overlooking the lake, and the brilliant sunshine of an ideal day formed a perfect setting for the first large project of Kingcrafts in which many of the 100 workers had learned the art of weaving, rugging, smocking and leathercraft, during the past year and a half.

Organization of the sale was an inspiration to the membership. All arrangements and management were a credit to Mrs. Beatty and the conveners.

In a building near the entrance to Kingswold, decorated with evergreens and lilacs, were found the handicraft booths,

displaying hundreds of articles of weaving, rugging, smocking and leather, artistically displayed among the green and silver decorations. The Teencrafters had their metal work in brass and copper, and sold out their small wooden portable serving tables.

Mrs. Herb. Parker was at work at her spinning wheel, demonstrating with home dyed sheep's wool. She also had a basketful of skeins ready for sale. Mrs. Rhoda Farren and Mrs. John Norris took turns hooking a rug.

Long before the sale was declared open by Lady Flavell, crowds waited eagerly to make purchases, and as the afternoon advanced, it was almost impossible to reach the stalls. One booth which attracted interest sold out 1,000 paper placemats, picturing the village of King, photograph in sepia by Sir Ellsworth Flavell, from an original sketch painting done by the local artists, Mr. Frank Fog, and surrounded with abstract designs of the flowers of Canada's distant provinces, the work of Miss Georgie Ryrie. On the wall was an enlarged black and white picture of the scene. An order for 200 extra mats was placed after the sale.

Beneath the trees on the lawn of Kingswold, the garden booth was a picture of color. Flowers and plants were set in tiers on a garden cart and displayed on a rustic counter. Raffle-covered bottles hung from the tree branches, giving a carnival effect while the green wheelbar-

row and straw garden hat gave a homey touch. Glass containers held moss plants and the large display of double white and purple lilacs gave the garden lover a wide choice. Boxed plants were all about the area. Hard by was the ever popular Caledonia Market booth, an attraction to those seeking antiques, etc.

The homemaking booth, located beside the swimming pool, sold out by three o'clock. On the terrace near the dwelling, surrounded by lovely flower beds and greenery, afternoon tea and refreshments were served by a group committee, and catered for by King City Bakery. The long serving tables were laid with figured linen yellow and green cloths, centred by bouquets of lilacs. It was a lovely picture "all on a summer's day".

When the time came to make the draws on the raffle tickets, Sir Ellsworth Flavell twirled the drum and Suzanne Grew, president of Teencrafters, drew the tickets. The prizes were, the nylon hooked rug, Mrs. M. Imrie, Richmond Hill, R. R. 1; handmade quilt, Miss D. Chisholm, Toronto, and niece of Mrs. R. Farren who sold her the ticket; lady's smocked blouse, M. C. Brown, Toronto; handwoven bag, Miss Winnifred Boys of Laskay, a member of Kingcrafts; leather purse, Mr. T. Wilson, Toronto, and child's smocked dress, Phyllis Kirkwood, Palmerston Ave., Toronto.

All proceeds from the sale of crafts, which were substantial, go to those who made them, while returns from other sources belong to Kingcrafts treasury.

Kingcrafts' sale of handicrafts and flowers drew over 700 people to the home of Sir Ellsworth and Lady Flavell, King township last week. Tea was served in the picturesque garden. At the garden booth on the lawn of Kingswold are Mrs. H. R. Case, left, and Mrs. E. G. Rolph. Era and Express photos

# TAKE YOUR "Discovery Drive"

## Call in Today... DRIVE CHEVROLET

**MORE PEOPLE** buy Chevrolet than any other car. Take a "Discovery Drive" - and you'll know why!

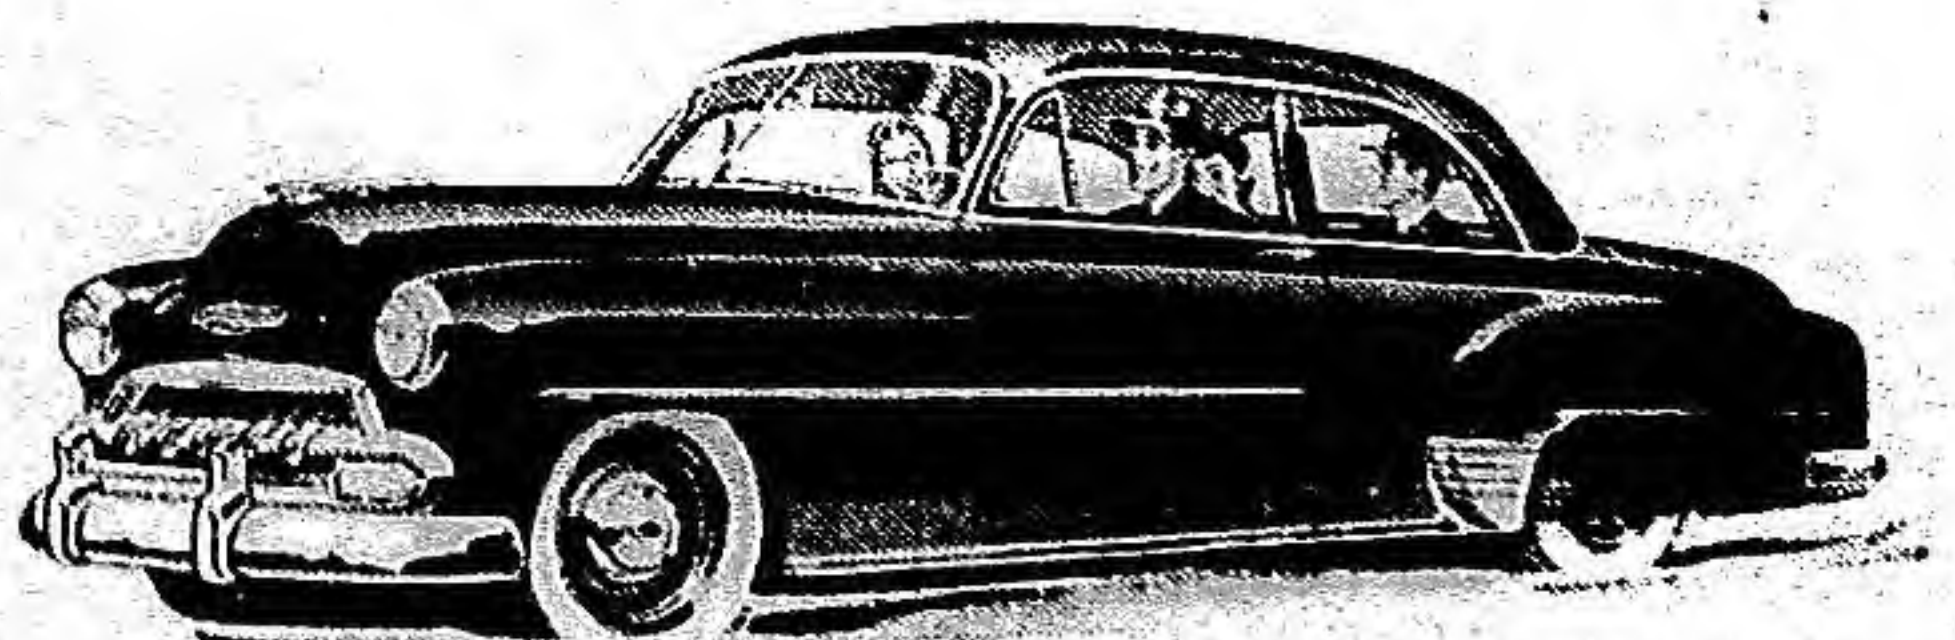

You'll discover the smooth, effortless performance of Centrepoise power and the brilliant response of Chevrolet's Valve-in-Head engine.

You'll discover the strength, the comfort, the spaciousness, and the beauty of Chevrolet's Body by Fisher. There's extra quality in every detail and appointment.

You'll discover the extra steering ease of Centre Point Steering... the extra stopping power of Chevrolet's Jumbo-Drum brakes. And, if you're driving a Chevrolet with "Powerglide", you'll marvel at the effortless, oil-smooth performance of this completely automatic transmission.
